Status	Proposed
Bank Risk Rating	B
Voting Date	2027-01-14
Borrower	Mecomar S.A.
Sectors	Water and Sanitation
Investment Type(s)	Loan
Investment Amount (USD)	$ 27.36 million

Project Description

According to bank provided information, the project invoves the provision of a senior corporate loan of up to MAD 270 million (equivalent to EUR 25 million) to Mecomar S.A. (the "Company"), to finance the vehicles, specialised equiment and working capital required to start operations under five newly awarded delegated management contracts in Meknes, Martil, M'diq, Fnideq and Temara (the "Project"). The contracts, awarded through international open tenders under Law 54-05 on delegated management of public services, cover household waste collection, street cleaning and transport to designated waste disposal facilities

The Project will improve the quality, coverage and environmental performance of municipal waste services in five municipalities, in line with Morocco's National Household Waste Programme, and will strengthen the Company's environmental and social management through a group-wide environmental and social management system.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Private Actors Description

MECOMAR SA

Mecomar S.A. ("Mecomar") is a Moroccan private operator in municipal waste collection, street-cleaning and related environmental services. Established in 1995 and fully owned by the Sahyoun family, the Company has operated in the sector for thirty years and is one of the main private providers of these services in Morocco. The Company operates delegated management contracts in 13 municipalities across the country, each through a dedicated subsidiary. The Company also manufactures and assembles municipal sanitation equipment, including waste collection trucks, sweepers, and other specialised vehicles, for its own operations and for third parties.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
