DFC-BRACUGANDA

BRAC Uganda Bank Limited (Uganda)

Quick Facts

Countries	Uganda
Financial Institutions	US International Development Finance Corporation (DFC)
Status	Proposed
Bank Risk Rating	C
Borrower	BRAC Uganda Bank Limited
Sectors	Finance
Investment Amount (USD)	$ 3.11 million
Project Cost (USD)	$ 4.00 million

Project Description

The project documents indicate that the project provides much needed capital to qualified Microfinance Institutions in order to provide micro loans to low income borrowers in Africa, the Middle East, Asia, Eastern Europe, and Latin America. The project will encourage private sector development and provide significant downstream benefits to consumers and suppliers by targeting micro-entrepreneurs. Loan proceeds will be used to expand the Borrower's microfinance loan portfolio

Investment Description

- US International Development Finance Corporation (DFC)
