Project Description

According to bank documents, the objective of this project is to improve the business environment for firms, strengthen select government institutions, and further diversify the economy.

The Additional Financing (AF) would seek to ensure that: (i) legislation supported by the Project is passed and implemented, (ii) automated systems supported by the Project are widely used, (iii) institutional changes supported by the Project are completed and institutional entities are fully operational, and (iv) deciduous fruit production, piloted by the Project, is supported by an enabling environment that facilitates investment in the sector. A new activity would include support for issues of trade facilitation and logistics given their cross-cutting importance to the economy.

The parent project is the Second Private Sector Competitiveness and Economic Diversification Project (P144933).
