Project Description

According to the Bank's document, this project aims to enable the commercialisation of research performed in public research organisations.

This will entail the following three components:

(1) An applied Research and Development (R&D) programme in the field of scientific, economic or industrial advancement in Uzbekistan.

(2) An Enterprise Innovation Programme which will provide grants to companies that produce proof of commercially realising the research completed as part of the applied Research and Development programme.

(3) Policy and Capacity Building Support which will establish a central Technology Transfer Office to provide a wide range of complementary technology commercialisation services.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
