

## CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

1. The contribution of the Strengthening Fiscal Stability Program is not captured by the second level outputs of the ADB Results Framework.<sup>1</sup>

Level 2 Results Framework Indicators		Targets	Methods / Comments
No.	(Outputs and Outcomes)		
1	None		The Strengthening Fiscal Stability Program is a policy-based grant supporting improved fiscal sustainability in Kiribati. The program's outputs target: (i) improved quality of government expenditure; (ii) improved revenue administration; (iii) improved management of public assets and liabilities; and (iv) improved structural reform implementation.
