

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

1. The contribution of the Strengthened Fiscal Sustainability Program is not captured by the second level outputs of the ADB Results Framework.¹

| No. | Level 2 Results Framework Indicators (Outputs and Outcomes) | Targets | Methods / Comments |
|-----|--|---------|---|
| 1 | None | | The Strengthened Fiscal Sustainability Program is a policy-based grant supporting improved fiscal sustainability in Tuvalu. The program is structured around three outputs: (i) strengthening public procurement, (ii) strengthening public enterprises to improve their commercial orientation and support private sector development, and (iii) strengthening the fiscal buffer for improved fiscal sustainability. |
