### Business Opportunities

Consulting Services

The technical assistance will require a total of 75 international person-months and 49 national person-months of consulting services. Assignment will be structured in two phases. A consulting firm (the Consultant) will be recruited to prepare both the phases. Activities under each phase are identified as below:

a. Phase 1: The consultant will; (i) prepare the investment program by clearly identifying subprojects under each tranche with cost estimates; and (ii) conduct and prepare feasibility studies and project documentation suitable for investment under tranche 1.

b. Phase 2: Preparation of detailed design of tranche 1 subprojects identified under feasibility study by; (a) conducting necessary surveys, and investigations; (b) technical appraisal of subprojects and updating preliminary designs (if deemed necessary); (c) detailed engineering designs, (d) preparation of bidding documents; and (e) procurement support and bids evaluations.

The recruitment of consultants will be in accordance with ADB's Procurement Policy (2017, as amended from time to time) and the associated PAIs/TA staff instructions using the quality and cost-based selection (QCBS) method with 90:10 ratio. The contract will be time based. Consultant may propose changes in person months' inputs of individual experts to effectively deliver the required outputs under contract.

Responsible ADB Officer	Maxwell, Anthony
Responsible ADB Department	Pacific Department
Responsible ADB Division	Transport, Energy and Natural Resources Division, PARD
Executing Agencies	<i>Asian Development Bank 6 ADB Avenue, Mandaluyong City 1550, Philippines Energy Division of the Department of Petroleum and Energy P.O. Box 494 Waigani, NCD Papua New Guinea</i>
