

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

No.	Level 2 Results Framework Indicators (Outputs and Outcomes)	Targets	Comments
None			<p>The Project contributes to ADB's Strategy 2020 by strengthening inclusive economic growth in Pakistan. Private management and improved governance of public sector enterprises have the potential to increase their economic efficiency and financial feasibility, and thus increase the government's fiscal space for extended delivery of public goods and services.</p> <p>Technical assistance loans do not usually deliver identifiable outputs that can be directly attributable to the Project.</p>
