Stakeholder Communication, Participation, and Consultation				
During Project Design	Consultations with government, development partners and relevant stakeholders have been undertaken.			
During Project Implementation	Collaboration with the government, development partners, and relevant stakeholders will continue. ADB fields biannual review missions. Relevant project documents will be posted on ADB website.			

Business Opportunities

Consulting Services Individual consultants will be engaged to undertake the PPTA, indicatively including 37.5 person-months of international consultant inputs, and 55 person-months of national consultant inputs. For some tasks, ADB will select and engage individual consultants through Individual Consultant Selection in accordance with ADB's Guidelines on the Use of Consultants (March 2013, as amended from time to time). Consultants may procure equipment through shopping in accordance with ADB's Procurement Guidelines (March 2013, as amended from time to time). Some consultants will be engaged through a firm using quality and cost-based selection (90:10). Some contingency funds will remain unallocated for individual or firm-based consultants, to be allocated for identified needs as they arise. The consultants to be engaged are set out in Table A3.3 of Appendix 3 of the concept paper.
