Business Opportunities

Consulting Services	The consultants will be recruited as individuals and as a firm using quality and cost-based selection in accordance with ADB's Guidelines on the Use of Consultants (2013, as amended from time to time), using a ratio of 90% for the technical proposal and 10% for the financial proposal. A national consulting firm and some individual consultants have been contracted.
Procurement	International competitive bidding procedures will be used for procurement of the road construction civil works. National competitive bidding procedures will be used for procurement of road maintenance civil works. Local procurement capacity will be assessed during the PPTA implementation. The PPTA will provide international consulting support to prepare bid documents, conduct bidding and evaluate the bids. Procurement system improvement program will be prepared according to the PPRR recommendations.
