During Project Implementation

Business Opportunities

Consulting Services OCO will seek and engage potential resource persons from ADB and institutions including the private sector to present and run workshops during the trainings. ADB will engage national consultants through individual consultants' selection in accordance with ADB's Guidelines on the Use of Consultants (2013, as amended from time to time). The terms of reference for 10 person-months of national consulting inputs are in Appendix 3. The national consultant will coordinate all technical, administrative, and logistical activities to ensure the smooth and effective delivery of high-quality training and any other workshop outputs.
