

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

Level 2 Results Framework Indicators			
No.	(Outputs and Outcomes)	Targets	Methods / Comments
1	None	None	The Inclusive Finance Development Program contributes to inclusive economic growth by supporting the Government's main reform priorities for financial inclusion aligned with the Philippine Development Plan (PDP) 2017–2022. Given the nature of policy-based loans, the program contribution to the ADB Results Framework is indirect through increased financial inclusion.
