Objectives and Scope	Zhujiang Financial Leasing Company Limited will use the proceeds of ADB's debt financing to finance loans and leases to SMEs in People's Republic of China.		
Linkage to Country/Regional Strategy	The project supports four priorities identified by ADB's Midterm Review of Strategy 2020: (i) poverty reduction and inclusive economic growth, (ii) environment and climate change, (iii) middle-income countries, and (iv) private sector development and operations. ADB's Midterm Review of Strategy 2020 highlights ADB's focus on reducing vulnerability and inequality and promoting inclusive growth in middle-income countries. It is consistent with ADB's country partnership strategy, 2016-2020 for the PRC, which prioritizes supporting inclusive economic growth, reducing poverty and inequality, and promoting private sector development through improving access to finance.
