| Consulting Services | The TA will be implemented by ADB's Climate Change and Disaster Risk Management Division of the Sustainable Development and Climate Change Department from April to December 2019. The TA will utilize 8 person-months of consultant inputs to be provided by 3 international consultants and 1 national (PHI) consultant. All consulting services will be engaged by ADB as individuals and on output-based (lump-sum) contracts. Advanced contracting procedures are proposed for engaging the consultants. ADB will engage the consultants following the ADB Procurement Policy (2017, as amended from time to time) and its associated project administration instructions and/or staff instructions. |
