Source of Funding / Amount Tal: Strengthen Technical Assis Climate Change Strategic Agendas Environmentally Inclusive econor Drivers of Change Governance and Knowledge solut Partnerships Sector / Subsector Agriculture, natu Gender Equity and Mainstreaming Description The knowledge a pandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp Khyber Pakhtunl other potential r government and building the long Unipact National food se Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic asses Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	ing Food Security Post-COVID-19 and Locust Attacks tance Special Fund tance Special Fund tance Special Fund e Fund sustainable growth nic growth	US\$ 1.10 million
Technical Assis Technical Assis Technical Assis Technical Assis Technical Assis Technical Assis Climate Change Strategic Agendas Environmentally inclusive econor Drivers of Change Governance and Knowledge solut Partnerships Sector / Subsector Gender Equity and Mainstreaming Description The knowledge a pandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp Khyber Pakhtunl other potential r government and building the long Impact National food se Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic assess Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	tance Special Fund tance Special Fund tance Special Fund e Fund sustainable growth nic growth	US\$ 1.10 million
Technical Assis Technical Assis Technical Assis Climate Change Strategic Agendas Environmentally Inclusive econor Drivers of Change Governance and Knowledge solut Partnerships Sector / Subsector Agriculture, natu Gender Equity and Mainstreaming Effective gender Description The knowledge a pandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp Khyber Pakhtunl other potential in government and building the long United National food se Outcome Institutional cap Outputs Technical Assis Technical Assis The TA will supp Khyber Pakhtunl other potential in government and soliding the long United Institutional cap Outcome Institutional cap Outputs Technical Assis The TA will supp Khyber Pakhtunl other potential in government and assistance of the pandemic, locus The TA will supp Khyber Pakhtunl other potential in government and soliding the long The Knowledge and Effective gender The TA will supp Khyber Pakhtunl other potential in government and soliding the long The Knowledge and Effective gender The TA will supp Khyber Pakhtunl other potential in government and soliding the long The Knowledge and Environment and Solid Aspects The TA will supp The Knowledge and Environment and Solid Aspects The TA will supp The Knowledge and Environment and Solid Aspects The TA will supp The Knowledge and Environmental Aspects The TA will supp The Knowledge and Environmental Aspects The TA will supp The Knowledge and Environmental Aspects The TA will supp The Knowledge and Environmental Aspects The TA will supp The Knowledge and Environmental Aspects The TA will supp The Knowledge and Environmental Aspects The TA will supp The Knowledge and Environmental Aspects The TA will supp The Knowledge and Environmental Aspects T	tance Special Fund tance Special Fund e Fund sustainable growth nic growth	US\$ 1.10 million
Strategic Agendas Environmentally Inclusive econor Drivers of Change Governance and Knowledge solut Partnerships Sector / Subsector Agriculture, nature Gender Equity and Mainstreaming Description The knowledge apandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp Khyber Pakhtunion other potential regovernment and building the long uilding the long. Impact National food se Outcome Outputs Technology-base Advanced locust Climate-adaptive Diagnostic assess Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultated During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	tance Special Fund e Fund sustainable growth nic growth	· · · · · · · · · · · · · · · · · · ·
Strategic Agendas Environmentally Inclusive econor Drivers of Change Governance and Knowledge solut Partnerships Sector / Subsector Gender Equity and Mainstreaming Description The knowledge a pandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp pandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp pandemic, locus Rhyber Pakhtuni other potential rigovernment and building the long Impact National food se Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic assess Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	e Fund sustainable growth nic growth	US\$ 1.10 million
Strategic Agendas Environmentally Inclusive econor Drivers of Change Governance and Knowledge solut Partnerships Sector / Subsector Gender Equity and Mainstreaming Description Project Rationale and Linkage to Country/Regional Strategy Project Rationale Strategy The TA will supp Khyber Pakhtuni other potential r government and building the long limpact Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic assess Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	sustainable growth nic growth	
Inclusive econor Drivers of Change Governance and Knowledge solut Partnerships Sector / Subsector Gender Equity and Mainstreaming Description The knowledge a pandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp Khyber Pakhtunl other potential rigovernment and building the long Impact National food se Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic asses Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	nic growth	US\$ 200,000.00
Knowledge solut Partnerships Sector / Subsector Agriculture, nature Gender Equity and Mainstreaming Effective gender Description The knowledge a pandemic, locus Project Rationale and Linkage to Country/Regional Strategy Khyber Pakhtuniother potential rigovernment and building the long Mainstreaming Gender G		
Gender Equity and Mainstreaming Effective gender Description The knowledge a pandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp Khyber Pakhtunl other potential r government and building the long Impact National food se Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic asses Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	capacity development ions	
Description The knowledge a pandemic, locus Project Rationale and Linkage to Country/Regional Strategy The TA will supp Khyber Pakhtunl other potential r government and building the long Impact National food se Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic asses Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	Agriculture, natural resources and rural development - Agricultural policy, institutional and capacity development	
Project Rationale and Linkage to Country/Regional Strategy The TA will supp Khyber Pakhtunl other potential ir government and building the long Impact National food se Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic asses Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	Effective gender mainstreaming	
Country/Regional Strategy Khyber Pakhtuni other potential rigovernment and building the long building the long building the long limpact National food se Outcome Institutional cap Outputs Technology-base Advanced locust Climate-adaptive Diagnostic assess Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	The knowledge and support technical assistance (KSTA) will help Pakistan improve its resilience to the coronavirus disease (COVID-19) pandemic, locust infestations, and other natural disasters through enhancing its food security system and agriculture sector.	
Outcome Outputs Technology-base Advanced locust Climate-adaptive Diagnostic asses Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	The TA will support the Ministry of National Food Security and Research (MNFSR) and four provincial agriculture departments Balochistan, Khyber Pakhtunkhwa, Punjab, and Sindh in (i) using technologies and advanced practices to combat COVID-19, the locust outbreak, and other potential natural disasters and climate change; (ii) disseminating such technologies and practices to the beneficiaries of the government and rural community, and (iii) assessing the performance of the country's food security institution and agriculture sector for building the long-term sustainable food security system.	
Outputs Technology-base Advanced locust Climate-adaptive Diagnostic assets Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultate During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	National food security sustained, agriculture resilience increased, and national targets for agriculture growth achieved.	
Advanced locust Climate-adaptive Diagnostic asses Geographical Location Balochistan, Khy Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultate During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	Institutional capacity to manage a sustainable food security system strengthened	
Summary of Environmental and Social Aspects Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	Technology-based data collection practices demonstrated Advanced locust and other pest management practices disseminated Climate-adaptive and disaster-resilient agriculture practices increased in areas vulnerable to climate change and natural hazards Diagnostic assessment of food security and agriculture completed	
Environmental Aspects Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultal During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	ber Pakhtunkhwa, Punjab, Sindh	
Involuntary Resettlement Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi		
Indigenous Peoples Stakeholder Communication, Participation, and Consultat During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi		
Stakeholder Communication, Participation, and Consultate During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi		
During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi		
During Project Design During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi	ion	
During Project Implementation Business Opportunities Consulting Services ADB will engage the firm and indivi		
Consulting Services ADB will engage the firm and indivi		
	dual consultants following the ADB Procurement Policy (2017, as amended fro staff instructions).	m time to time) and its associated project
Responsible ADB Officer	Sato, Noriko	
Responsible ADB Department	Central and West Asia Department	
Responsible ADB Division		
Executing Agencies	Environment, Natural Resources & Agriculture Division, CWRD
