Description	The knowledge and support technical assistance (TA) will support the implementation of Mongolia Education Sector Mid-term Development Plan to improve the quality of education. It will (i) strengthen the institutional systems and capacity to implement the education sector mid-term development plan (ESMTDP); (ii) enhance the online and distance learning systems and resources; and (iii) improve teachers' professional development systems, resources, and capacity.							
Project Rationale and Linkage to Country/Regional Strategy	In 2017, the Asian Development Bank approved a KSTA to Support the Development of an Education Sector Master Plan 2021 -2030 of Mongolia to provide extensive support for building the sector capacity for long-term planning and establishing a coordination mechanism engaging all donors in education. The ESMTDP was approved in November 2020. It is strongly aligned with the Mongolia Long-term Development Vision 2050 and well-integrated with Government Action Plan for 2020 -2024.
