Description		
Project Rationale and Linkage to Country/Regional Strategy		
Impact	Increasing private sector operations to support seven operational priorities of Strategy 2030. ADB will expand and broaden its private sector operations to support the seven operational priorities. ADB will expand its support for PPPs by (i) assisting in policy advocacy and capacity building; (ii) helping establish enabling environments; (iii) providing transaction advisory services; (iv) assisting in project development, structuring, and preparation; and (v) providing project financing through sovereign and nonsovereign lending. As a project developer, ADB will scale up its transaction advisory services to help clients structure PPPs and develop robust project pipelines. (Strategy 2030)
