**Request for Information – Ticket Resolved**

Dear Alessandro Ramazzotti,

We have analyzed your case and would like to provide you with the following information:

Please note that as described under the Project scope and objective section on the Investment summary tab, the purpose of the transaction is to finance the investment plan to improve efficiency and productivity in existing operations, as well as structural working capital to support its operations in Direct Human Consumption and Indirect Human Consumption, hence it does not require an Environmental and Social Impact Assessment (ESIA), as per the IDB Invest [Environmental and Social Sustainability Policy](#).

You can find public information regarding this Project at the following link: <https://www.idbinvest.org/en/projects/exalmar-corporativo>, under the tabs Investment summary, Environmental and social review and Additional information.

You can find relevant information about the project scope and objective in the [Environmental and Social Review Summary \(ESRS\)](#), document that you can find under the Environmental and social review tab.

And for more details, please go to the Client information section, which you can find under the Additional information tab and contact them directly. You can also visit their public web page - <https://www.exalmar.com.pe/>.

Cordially,

Transparency Hub
