Dear Alessandro Ramazzotti,

We have analyzed your case and would like to provide you with the following information:

Public information regarding this Project is available at: <https://www.idbinvest.org/en/projects/copeval-import-finance>. Please review information under the tabs Investment summary, Environmental and social review and Additional information. Regarding your question about the Environmental and Social Assessment, you can find this information in the [Environmental and Social Review Summary \(ESRS\)](#) (Section 4.1 Assessment and Management of Environmental and Social Risks and Impacts, page 2), document that you can find under the Environmental and social review tab.

And regarding your question about the objective of the financing, as described on the project's web page under the "Project scope and objective" section, the financing is destined for the importation of machinery, inputs and raw materials, which were sold and financed to Copeval agricultural producers.

And for more details, please go to the Client information section, which you can find under the Additional information tab and contact them directly. You can also visit their public web page - <https://www.copeval.cl/>.

Cordially,

Transparency Hub
