NOW THEREFORE the parties hereto agree as follows:

ARTICLE I

Particular Covenants

Section 2.01. (a) SIEA shall carry out the Project with due diligence and efficiency, and in conformity with sound applicable technical, financial, business, and development practices.

(b) In the carrying out of the Project and operation of the Project facilities, SIEA shall perform all obligations set forth in the Financing Agreement to the extent that they are applicable to SIEA.

Section 2.02. SIEA shall make available, promptly as needed, and on terms and conditions acceptable to ADB, the funds, facilities, services, land and other

ADB may refuse to finance a contract where any such item has not been procured under procedures substantially in accordance with those agreed between the Beneficiary and ADB or where the terms and conditions of the contract are not satisfactory to ADB.

Section 2.04. SIEA shall carry out the Project in accordance with plans, design standards, specifications, work schedules and construction methods acceptable to ADB. SIEA shall furnish, or cause to be furnished, to ADB, promptly after their preparation, such plans, design standards, specifications and work schedules, and any material modifications subsequently made therein, in such detail as ADB shall reasonably request.

Section 2.05. (a) SIEA shall take out and maintain with responsible insurers, or make other arrangements satisfactory to ADB for, insurance of Project facilities to such extent and against such risks and in such amounts as shall be consistent with sound practice.

(b) Without limiting the generality of the foregoing, SIEA undertakes to insure, or cause to be insured, the Goods to be imported for the Project against hazards incident to the acquisition, transportation and delivery thereof to the place of use or installation, and for such insurance any indemnity shall be payable in a currency freely usable to replace or repair such Goods.

Section 2.07. (a) ADB and SIEA shall cooperate fully to ensure that the purposes of the Loan and the Grant will be accomplished.

(b) SIEA shall promptly inform ADB of any condition which interferes with, or threatens to interfere with, the progress of the Project, the performance of its obligations under this Project Agreement or the Subsidiary Financing Agreement, or the accomplishment of the purposes of the Loan and the Grant.

(b) Without limiting the generality of the foregoing, SIEA shall furnish to ADB periodic reports on the execution of the Project and on the operation and management of the Project facilities. Such reports shall be submitted in such form and in such detail and within such a period as ADB shall reasonably request, and shall indicate, among other things, progress made and problems encountered during the period under review, steps taken or proposed to be taken to remedy these problems, and proposed program of activities and expected progress during the following period.

(c) Promptly after physical completion of the Project, but in any event not later than 3 months thereafter or such later date as ADB may agree for this purpose, SIEA shall prepare and furnish to ADB a report, in such form and in such detail as ADB shall reasonably request, on the execution and initial operation of the Project, including its cost, the performance by SIEA of its obligations under this Project Agreement and the accomplishment of the purposes of the Loan and the Grant.

This is provided that such discussions shall be conducted only in the presence of an authorized officer of SIEA, unless SIEA shall otherwise agree.

(b) SIEA shall at all times conduct its operations in accordance with sound applicable technical, financial, business, development and operational practices, and under the supervision of competent and experienced management and personnel.

(c) SIEA shall at all times operate and maintain its plants, equipment and other property, and from time to time, promptly as needed, make all necessary repairs and renewals thereof, all in accordance with sound applicable technical, financial, business, development, operational and maintenance practices.

Section 2.12. Except as ADB may otherwise agree, SIEA shall not sell, lease or otherwise dispose of any of its assets which shall be required for the efficient carrying on of its operations or the disposal of which may prejudice its ability to perform satisfactorily any of its obligations under this Project Agreement.

Section 2.13. Except as ADB may otherwise agree, SIEA shall apply the proceeds of the Loan and the Grant to the financing of expenditures on the Project in accordance with the provisions of the Financing Agreement and this Project Agreement, and shall ensure that all items of expenditures financed out of such proceeds are used exclusively in the carrying out of the Project.

Section 2.14. Except as ADB may otherwise agree, SIEA shall duly perform all its obligations under the Subsidiary Financing Agreement, and shall not take, or concur in, any action which would have the effect of assigning, amending, abrogating or waiving any rights or obligations of the parties under the Subsidiary Financing Agreement.

Section 2.15. SIEA shall promptly notify ADB of any proposal to amend, suspend or repeal any provision of the Solomon Islands Electricity Act of 1969, which, if implemented, could adversely affect the carrying out of the Project or the operation of the Project facilities. SIEA shall afford ADB an adequate opportunity to comment on such proposal prior to taking any affirmative action thereon.
