

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

No.	Level 2 Results Framework Indicators (Outputs and Outcomes)	Targets	Methods / Comments
1.	None.	None.	<p>The Program has no direct contribution to level 2 of the corporate ADB results framework.</p> <p>Strategy 2020: The Long-Term Strategic Framework of the Asian Development Bank, 2008–2020, specifies inclusive growth as a strategic agenda, and good governance as a driver of change.</p> <p>The Program, however, will contribute to strengthen the overall governance framework by supporting government reforms in public administration, and public financial management. The Program which focuses on institutional strengthening and capacity development among civil servants at all levels of administration will contribute to effectively improving budgetary and financial management practices. These efforts will contribute to decline in the incidence of corruption by strengthening supply side initiatives such as PFM practices, and in turn, ensure that the public sector is responsive, effective, ethical, accountable and transparent in Lao People's Democratic Republic.</p>
