WHEREAS

(A) by a loan agreement of even date herewith between the Republic of Armenia (“Borrower”) and ADB (“Loan Agreement”), ADB has agreed to make to the Borrower a loan from ADB’s Special Funds resources in various currencies equivalent to twenty four million twenty two thousand Special Drawing Rights (SDR24,022,000) on the terms and conditions set forth in the Loan Agreement, but only on the condition that the proceeds of the Loan be made available to EPSO and HVEN (“Company”, individually) and that each Company agrees to undertake certain obligations towards ADB set forth herein; and

(B) each Company, in consideration of ADB entering into the Loan Agreement with the Borrower, has agreed to undertake the obligations set forth herein;

NOW THEREFORE the parties hereto agree as follows:

ARTICLE I

Definitions

Section 1.01. Wherever used in this Project Agreement, unless the context otherwise requires, the several terms defined in the Loan Agreement and in the Loan Regulations (as so defined) have the respective meanings therein set forth subject, however, to the following modifications: the term “Project” means the parts of the Project to be implemented by each Company, respectively.

ARTICLE II

Particular Covenants

Section 2.01. (a) Each Company shall carry out the Project with due diligence and efficiency, and in conformity with sound applicable administrative, financial, engineering, environmental and water supply and sanitation practices.

(b) In the carrying out of the Project and operation of the Project facilities, each Company shall perform all obligations set forth in the Loan Agreement to the extent that they are applicable to each Company.

Section 2.02. Each Company shall make available, promptly as needed, the funds, facilities, services, land and other resources as required, in addition to the proceeds of the Loan, for the carrying out of the Project.

Section 2.03. (a) In the carrying out of the Project, each Company shall employ competent and qualified consultants and contractors, acceptable to ADB, to an extent and upon terms and conditions satisfactory to ADB.

(b) Except as ADB may otherwise agree, each Company shall procure all items of expenditures to be financed out of the proceeds of the Loan in accordance with the provisions of Schedule 4 to the Loan Agreement. ADB may refuse to finance a contract where any such item has not been procured under procedures substantially in accordance with those agreed between the Borrower and ADB or where the terms and conditions of the contract are not satisfactory to ADB.

Section 2.04. Each Company shall carry out the Project in accordance with plans, design standards, specifications, work schedules and construction methods acceptable to ADB. Each Company shall furnish, or cause to be furnished, to ADB, promptly after their preparation, such plans, design standards, specifications and work schedules, and any material modifications subsequently made therein, in such detail as ADB shall reasonably request.

Section 2.05. (a) Each Company shall take out and maintain with responsible insurers, or make other arrangements satisfactory to ADB for, insurance of Project facilities to such extent and against such risks and in such amounts as shall be consistent with sound practice.

(b) Without limiting the generality of the foregoing, each Company undertakes to insure, or cause to be insured, the Goods to be imported for the Project against hazards incident to the acquisition, transportation and delivery thereof to the place of use or installation, and for such insurance any indemnity shall be payable in a currency freely usable to replace or repair such Goods.

Section 2.06. Each Company shall maintain, or cause to be maintained, records and accounts adequate to identify the items of expenditure financed out of the proceeds of the Loan, to disclose the use thereof in the Project, to record the progress of the Project (including the cost thereof) and to reflect, in accordance with consistently maintained sound accounting principles, its operations and financial condition.

Section 2.07. (a) ADB and the Company shall cooperate fully to ensure that the purposes of the Loan will be accomplished.

(b) Each Company shall promptly inform ADB of any condition which interferes with, or threatens to interfere with, the progress of the Project, the performance of its obligations under this Project Agreement or the Subsidiary Loan Agreement, or the accomplishment of the purposes of the Loan.

(c) ADB and each Company shall from time to time, at the request of either party, exchange views through their representatives with regard to any matters relating to the Project, the Company and the Loan.

Section 2.08. (b) Without limiting the generality of the foregoing, each Company shall furnish to ADB quarterly reports on the execution of the Project and on the operation and management of the Project facilities. Such reports shall be submitted in such form and in such detail and within such a period as ADB shall reasonably request, and shall indicate, among other things, progress made and problems encountered during the quarter under review, steps taken or proposed to be taken to remedy these problems, and proposed program of activities and expected progress during the following quarter.

(c) Promptly after physical completion of the Project, but in any event not later than 3 months thereafter or such later date as ADB may agree for this purpose, each Company shall prepare and furnish to ADB a report, in such form and in such detail as ADB shall reasonably request, on the execution and initial operation of the Project, including its cost, the performance by the Company of its obligations under this Project Agreement and the accomplishment of the purposes of the Loan.

(b) ADB shall disclose the annual audited financial statements for the Project and the opinion of the auditors on the financial statements within 30 days of the date of their receipt by posting them on ADB's website.

(c) In addition to annual audited financial statements referred to in subsection (a) hereinabove, each Company shall (i) provide its annual financial statements prepared in accordance with national accrual-based financing reporting standards acceptable to ADB; (ii) have its financial statements and compliance with the financial covenants of the Loan Agreement audited annually by independent auditors whose qualifications, experience and terms of reference are acceptable to ADB, in accordance with international standards for auditing or the national equivalent acceptable to ADB; and (iii) furnish to ADB, no later than 1 month after approval by the relevant authority, copies of such audited financial statements (including opinion on compliance with the financial covenants of the Loan Agreement) in the English language and such other information concerning these documents and the audit thereof as ADB shall from time to time reasonably request.

(d) Each Company shall enable ADB, upon ADB's request, to discuss the financial statements for the Project and the Company and its financial affairs where they relate to the Project with the auditors appointed by the Company pursuant to subsections (a)(iii) and (c) hereinabove, and shall authorize and require any representative of such auditors to participate in any such discussions requested by ADB. This is provided that such discussions shall be conducted only in the presence of an authorized officer of the Company, unless the Company shall otherwise agree.

(b) Each Company shall at all times conduct its operations in accordance with sound applicable administrative, financial, environmental and public utility practices, and under the supervision of competent and experienced management and personnel.

(c) Each Company shall at all times operate and maintain its plants, equipment and other property, and from time to time, promptly as needed, make all necessary repairs and renewals thereof, all in accordance with sound applicable administrative, financial, engineering, environmental, public utility and maintenance and operational practices.

Section 2.12. Except as ADB may otherwise agree, each Company shall not sell, lease or otherwise dispose of any of its assets which shall be required for the efficient carrying on of its operations or the disposal of which may prejudice its ability to perform satisfactorily any of its obligations under this Project Agreement.

Section 2.13. Except as ADB may otherwise agree, each Company shall apply the proceeds of the Loan to the financing of expenditures on the Project in accordance with the provisions of the Loan Agreement and this Project Agreement, and shall ensure that all items of expenditures financed out of such proceeds are used exclusively in the carrying out of the Project.

Section 2.14. Except as ADB may otherwise agree, each Company shall duly perform all its obligations under the Subsidiary Loan Agreement, and shall not take, or concur in, any action which would have the effect of assigning, amending, abrogating or waiving any rights or obligations of the parties under the Subsidiary Loan Agreement.

Section 2.15. Each Company shall promptly notify ADB of any proposal to amend, suspend or repeal any provision of its charter, which, if implemented, could adversely affect the carrying out of the Project or the operation of the Project facilities. Each Company shall afford ADB an adequate opportunity to comment on such proposal prior to taking any affirmative action thereon.
