

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

No.	Level 2 Results Framework Indicators (Outputs and Outcomes)	Targets	Methods / Comments
1	Students benefiting from new or improved educational facilities (number) Male / Female	9,900 (4,140 female and 5,760 male)	The number of beneficiaries has been estimated on the basis of the size of training facilities planned (including hostels, classrooms, and training halls).
2	Students educated and trained under improved quality assurance systems (number) Male / Female; TVET	65,000 (22,750 females and 42,250 males)	<p>The number of beneficiaries is based on the menu of short- and long-term training programs (for wage employment and self-employment), as agreed with the government of Himachal Pradesh. The proposed management information system will track the numbers of youth enrolled (by sex) across different training programs, all of which will be aligned to India's National Skills Qualification Framework.</p> <p>Further, a monitoring and evaluation consulting firm will be recruited under the loan to study and track the quality and outcomes of the training programs which will be funded under the project.</p>
3	Teachers trained with quality or competency standards (number) Male / Female; TVET	50 master trainers (At least 10 female trainers)	The training of trainers program will be designed in consultation with the Department of Technical Education, Vocational and Industrial Training, Government of Himachal Pradesh

TVET = technical and vocational education and training.
