Linkage to Country/Regional Strategy	ADB's Strategy 2030 emphasizes its support to the financial sector to achieve greater financial inclusion; gender equality; job creation; and access to affordable housing, insurance, and savings. The proposed transaction contributes to financial sector development by supporting the growth of a financial institution that plays a key role in Viet Nam's finance sector. ADB's Strategy 2030 also seeks to promote inclusive growth. Without access to formal financial services, underserved segments of the population will be excluded from the growth process and its benefits.
