PROJECT AGREEMENT dated 9 December 2014 between ASIAN DEVELOPMENT BANK (“ADB”), and FENAKA CORPORATION LIMITED (“FENAKA”).

### **WHEREAS**

(A) by a Grant Agreement of even date herewith between the Republic of the Maldives (“Recipient”) and ADB, ADB has agreed to make to the Recipient a grant of thirty eight million Dollars (\$38,000,000) on the terms and conditions set forth in the Grant Agreement, but only on the condition that a portion of the proceeds of the Grant be made available to FENAKA and that FENAKA agrees to undertake certain obligations towards ADB set forth herein; and

(B) FENAKA, in consideration of ADB entering into the Grant Agreement with the Recipient, has agreed to undertake the obligations set forth herein;

NOW THEREFORE the parties hereto agree as follows:

## **ARTICLE I**

### **Definitions**

Section 1.01. Wherever used in this Project Agreement, unless the context otherwise requires, the several terms defined in the Grant Agreement and in the Grant Regulations (as so defined) have the respective meanings therein set forth.

## **ARTICLE II**

### **Particular Covenants**

Section 2.01. (a) FENAKA shall carry out the Project with due diligence and efficiency, and in conformity with sound applicable technical, financial, business, and development practices.

(b) In the carrying out of the Project and operation of the Project facilities, FENAKA shall perform all obligations set forth in the Grant Agreement to the extent that they are applicable to FENAKA.

Section 2.02. FENAKA shall make available, promptly as needed, and on terms and conditions acceptable to ADB, the funds, facilities, services, land and other resources as required, in addition to the proceeds of the Grant, for the carrying out of the Project.

Section 2.03. (a) In the carrying out of the Project, FENAKA shall employ competent and qualified consultants and contractors, acceptable to ADB, to an extent and upon terms and conditions satisfactory to ADB.

(b) Except as ADB may otherwise agree, FENAKA shall procure all items of expenditures to be financed out of the proceeds of the Grant in accordance with the provisions of Schedule 3 to the Grant Agreement. ADB may refuse to finance a contract where any such item has not been procured under procedures substantially in accordance with those agreed between the Recipient and ADB or where the terms and conditions of the contract are not satisfactory to ADB.

Section 2.04. FENAKA shall carry out the Project in accordance with plans, design standards, specifications, work schedules and construction methods acceptable to ADB. FENAKA shall furnish, or cause to be furnished, to ADB, promptly after their preparation, such plans, design standards, specifications and work schedules, and any material modifications subsequently made therein, in such detail as ADB shall reasonably request.

Section 2.05. (a) FENAKA shall take out and maintain with responsible insurers, or make other arrangements satisfactory to ADB for, insurance of Project facilities to such extent and against such risks and in such amounts as shall be consistent with sound practice.

(b) Without limiting the generality of the foregoing, FENAKA undertake to insure, or cause to be insured, the Goods to be imported for the Project against hazards incident to the acquisition, transportation and delivery thereof to the place of use or installation, and for such insurance any indemnity shall be payable in a currency freely usable to replace or repair such Goods.

Section 2.06. FENAKA shall maintain, or cause to be maintained, records and accounts adequate to identify the items of expenditure financed out of the proceeds of the Grant, to disclose the use thereof in the Project, to record the progress of the Project (including the cost thereof) and to reflect, in accordance with consistently maintained sound accounting principles, its operations and financial condition.

Section 2.07. (a) ADB and FENAKA shall cooperate fully to ensure that the purposes of the Grant will be accomplished.

(b) FENAKA shall promptly inform ADB of any condition which interferes with, or threatens to interfere with, the progress of the Project, the performance of its obligations under this Project Agreement, or the accomplishment of the purposes of the Grant.

(c) ADB and FENAKA shall from time to time, at the request of either party, exchange views through their representatives with regard to any matters relating to the Project, FENAKA, and the Grant.

(b) Without limiting the generality of the foregoing, FENAKA shall furnish to ADB periodic reports on the execution of the Project and on the operation and management of the Project facilities. Such reports shall be submitted in such form and in such detail and within such a period as ADB shall reasonably request, and shall indicate, among other things, progress made and problems encountered during the period under review, steps taken or proposed to be taken to remedy these problems, and proposed program of activities and expected progress during the following period.

(c) Promptly after physical completion of the Project, but in any event not later than 3 months thereafter or such later date as ADB may agree for this purpose, FENAKA shall prepare and furnish to ADB a report, in such form and in such detail as ADB shall reasonably request, on the execution and initial operation of the Project, including its cost, the performance by FENAKA of its obligations under this Project Agreement and the accomplishment of the purposes of the Grant.

Section 2.09. (a) FENAKA shall (i) maintain separate accounts and records for the Project; (ii) prepare annual financial statements for the Project in accordance with accounting principles acceptable to ADB; (iii) have such financial statements for the Project audited annually by independent auditors whose qualifications, experience and terms of reference are acceptable to ADB, in accordance with international standards for auditing or the national equivalent acceptable to ADB; (iv) as part of each such audit, have the auditors prepare a report (which includes the auditors' opinion on the financial statements, use of the Grant proceeds and compliance with the financial covenants of the Grant Agreement) and a management letter (which sets out the deficiencies in the internal control of the Project that were identified in the course of the audit, if any); and (v) furnish to ADB, no later than 6 months after the close of the fiscal year to which they relate, copies of such audited financial statements, audit report and management letter, all in the English language, and such other information concerning these documents and the audit thereof as ADB shall from time to time reasonably request.

(b) ADB shall disclose the annual audited financial statements for the Project and the opinion of the auditors on the financial statements within 30 days of the date of their receipt by posting them on ADB's website.

(c) In addition to annual audited financial statements referred to in subsection (a) hereinabove, FENAKA shall (i) provide its annual financial statements prepared in accordance with national accrual-based financing reporting standards acceptable to ADB; (ii) have its financial statements audited annually by independent auditors whose qualifications, experience and terms of reference are acceptable to ADB, in accordance with international standards for auditing or the national equivalent acceptable to ADB; and (iii) furnish to ADB, no later than 1 month after approval by the relevant authority, copies of such audited financial statements in the English language and such other information concerning these documents and the audit thereof as ADB shall from time to time reasonably request. As part of each such audit, have the auditors prepare a report (which includes the auditors' opinion on the financial statements, use of the Grant proceeds and compliance with the financial covenants of the Grant Agreement) and a management letter (which sets out

the deficiencies in the internal control of the Project that were identified in the course of the audit, if any).

(d) FENAKA shall enable ADB, upon ADB's request, to discuss the financial statements for the Project and FENAKA and its financial affairs where they relate to the Project with the auditors appointed by FENAKA pursuant to subsections (a)(iii) and (c) hereinabove, and shall authorize and require any representative of such auditors to participate in any such discussions requested by ADB. This is provided that such discussions shall be conducted only in the presence of an authorized officer of FENAKA, unless FENAKA shall otherwise agree.

Section 2.10. FENAKA shall enable ADB's representatives to inspect the Project, the Goods and Works and any relevant records and documents.

Section 2.11. (b) FENAKA shall at all times conduct its operations in accordance with sound applicable technical, financial, business, development and operational practices, and under the supervision of competent and experienced management and personnel.

(c) FENAKA shall at all times operate and maintain its plants, equipment and other property, and from time to time, promptly as needed, make all necessary repairs and renewals thereof, all in accordance with sound applicable technical, financial, business, development, operational and maintenance practices.

Section 2.12. Except as ADB may otherwise agree, FENAKA shall not sell, lease or otherwise dispose of any of its assets which shall be required for the efficient carrying on of its operations or the disposal of which may prejudice its ability to perform satisfactorily any of its obligations under this Project Agreement.

Section 2.13. Except as ADB may otherwise agree, FENAKA shall apply the proceeds of the Grant to the financing of expenditures on the Project in accordance with the provisions of the Grant Agreement and this Project Agreement, and shall ensure that all items of expenditures financed out of such proceeds are used exclusively in the carrying out of the Project.

Section 2.14. Except as ADB may otherwise agree, FENAKA shall duly perform all its obligations under the Subsidiary Loan Agreement, and shall not take, or concur in, any action which would have the effect of assigning, amending, abrogating or waiving any rights or obligations of the parties under the Subsidiary Loan Agreement.

Section 2.15. FENAKA shall promptly notify ADB of any proposal to amend, suspend or repeal any provision of its constitutional documents, which, if implemented, could adversely affect the carrying out of the Project or the operation of the Project facilities. FENAKA shall afford ADB an adequate opportunity to comment on such proposal prior to taking any affirmative action thereon.
