

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

No.	Level 2 Results Framework Indicators (Outputs and Outcomes)	Targets	Methods/Comments
1.	Transmission lines installed or upgraded (km)	95 km of 220 kV single circuit transmission line	Installation of new 220 kV transmission line interconnecting the Panjakent and Ayni regions.
2.	Energy saved (terawatt-hours)	0.2 TWh per year	Non-technical annual losses reduced by 1.5%

GWh = gigawatt-hour; km = kilometer; kV = kilovolt; TWh = terawatt-hour.
