Objectives and Scope	The Trade Finance Program (TFP) closes market gaps for trade finance by providing guarantees and loans to partner banks to support trade. Drawing the private sector into developing countries is important to closing gaps and TFP is the biggest mobilizer of private sector financing at ADB. In addition to doing transactions TFP provides a number of 'knowledge products' which contribute to closing financing gaps. More information can be found at www.adb.org/TFP .

Business Opportunities

Consulting Services The TA will require about 468 person-months of consulting inputs, including due diligence experts, trade finance expert and relationship manager. Additional consulting resources may be engaged to conduct training and support TFP administration and related requirements. ADB will be the executing agency, and its Private Sector Operations Department will administer and implement Subproject 3. Recruitment of consultants will be in accordance with ADB's Guidelines on the Use of Consultants (2013, as amended from time to time).
