

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

Level 2 Results Framework Indicators		
No. (Outputs and Outcomes)	Targets	Methods / Comments
None.	None.	<p>The program contribution to the ADB Results Framework is indirect. The strengthened public employment services across the country will improve the quality and range of employment facilitation services available to the poor and provide opportunities for local economic development.</p> <p>The program supports the government's efforts to provide lifelong learning opportunities, improve employability of at-risk youth and facilitate young Filipino's transition to the workforce.</p> <p>The Program contributes to the ADB Strategy 2030 with links to operational priorities on: (i) addressing remaining poverty and reducing inequalities; (ii) accelerating progress in gender equality; and (iii) strengthening governance and institutional capacity.</p>
