Business Opportunities

Consulting Services The TA will require (i) one consulting firm providing 9 person-months (international) and 74.5 person-months (national) to undertake the TA output, recruited using the quality-and-cost based selection procedure at 90:10 quality-cost ratio and simplified technical proposals; and (ii) four individual consultants (international) with 1.5 person-months each. The TA consultant will organize the technical panel of experts composed of the individual consultants and key specialists from the TA consultant for critical proposals and/or decisions on economic, engineering, and/or environmental matters with the invitations of representatives from key departments of the government of KPP and other stakeholders as necessary. The consultants will be engaged by ADB in accordance with ADB Procurement Policy (2017, as amended from time to time) and the associated Project Administration Instructions/TA Staff Instructions.
