

India: Sikkim Major District Roads Upgradation Project

Project Name		Sikkim Major District Roads Upgradation Project
Project Number		52159-003
Country		India
Project Status		Proposed
Project Type / Modal	ity of Assistance	Loan
Source of Funding / A	Amount	Loan: Sikkim Major District Roads Upgradation Project
		Ordinary capital resources US\$ 2.50 million
Strategic Agendas		Inclusive economic growth
Orivers of Change		Governance and capacity development
Sector / Subsector		Transport - Road transport (non-urban)
Gender Equity and M	lainstreaming	
Description		The Project Readiness Financing (PRF) will finance consulting services for (i) initial screening of the tentative list of candidate roads and bridges; (ii) feasibility studies of the shortlisted roads for final selection; (iii) detailed design for selected road and bridge subprojects, including the environmental and social safeguard assessments and preparation of environmental and social safeguard planning documents, cost estimate, economic analysis, due diligence and capacity building on financial management, assistance and capacity building on procurement, preparation of bid documents and supporting the bidding process until contract award; and (iv) providing assistance for developing the institutional strengthening and capacity development component of the ensuing proposed Project (Sikkim Major District Roads Upgradation Project).
Project Rationale and Country/Regional Str		The Project will help upgradation of major district roads, other district roads and replacement of weak bridges thus creating a sound network of roads in the State of Sikkim with adequate linkage to the national highway and state highway network and connectivity to important towns, commercially important rural areas, pilgrimage and other tourist destinations in the State.
