Project Development Objectives

Project Development Objective (from Project Appraisal Document)

The project development objective is to improve the efficiency of and access to selected public services for businesses and citizens.

Has the Project Development Objective been changed since Board Approval of the Project Objective?

Components Table

Name

No

Component 1: Modernization of Public Administration:(Cost \$8.20 M) Component 2: Digital Service Delivery:(Cost \$16.00 M) Component 3: Data Management and Digital Infrastructure:(Cost \$4.00 M) Component 4: Project Management:(Cost \$1.70 M)

Overall Ratings

Name	Previous Rating	Current Rating
Progress towards achievement of PDO	Satisfactory	Satisfactory
Overall Implementation Progress (IP)	Satisfactory	Moderately Satisfactory
Overall Risk Rating	Moderate	Moderate

Implementation Status and Key Decisions

The PSMP4 project became effective in November 2022. The government is currently revising the country level digitalization governance arrangements with a new Information System Agency being established. There are slight implementation delays with regard to this process with expectations that the project implementation with accelerated in the following few months.

Risks
