Strategic Agendas	Environmentally sustainable growth Inclusive economic growth	
Drivers of Change	Governance and capacity development Knowledge solutions Partnerships Private sector development	
Sector / Subsector	Energy - Electricity transmission and distribution	
Gender Equity and Mainstreaming	No gender elements	
Description	The Asian Development Bank has approved a small-scale transaction TA on 5 September 2019. The TA will produce an updated feasibility study for the proposed project that includes project scope and rationale, technical due diligence, economic and financial appraisal, environment and social safeguards; and project implementation arrangement and financing plan.	
Project Rationale and Linkage to Country/Regional Strategy	The TA will help the government to prepare the project to implement the ensuing project. The TA will update and conduct a feasibility study and develop the relevant project documents following ADB's requirements for approval of the ensuing project by ADB and the government.
