Appendix 8: Terms of Reference (TOR) for the NGO/agency to assist PIUs in Resettlement Plan Implementation

A. Project Background

1. The government of Rajasthan has proposed to upgrade its road network under Rajasthan State Highway Investment Program (RSHIP) and as part of this endeavour, the Public Works Department (PWD) of Rajasthan has been mandated to undertake improvement and up-gradation of various State Highways and Major District Roads at different locations in Rajasthan. As part of this mandate, the PPP Division of Rajasthan Public Works Department has identified the roads requiring improvement that would improve the connectivity to national highways, major towns, and industrial belts. The proposed investment program will support the up-gradation and improvement of the identified roads and Tranche-III will finance 4 road projects totalling about 290.515 Km spread across the State of Rajasthan.

2. The Public-Private Partnership (PPP) Cell of the Public works Department has prepared the Resettlement Plan (RP) for Churu-Taranagar-Nohar of SH-36 proposed under Tranche-3 for improvements under RSHIP. This RP addresses social issues arising out of the acquisition of land and other assets, eviction of squatters, and removal of encroachments resulting in social and/or economic displacement to households/individuals/community, either direct or indirect and is in compliance with ADB's Safeguard Policy Statement, 2009 and Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013.

3. A Resettlement Plan (RP) has been prepared to assist the affected people to improve or at least restore their living standards to the pre-project level. This RP captures the involuntary resettlement impacts arising out of the proposed improvements to the road Churu-Taranagar-Nohar of SH-36 of RSHIP. The document describes the magnitude of impact, mitigation measures proposed method of valuation of land, structure and other assets, eligibility criteria for availing benefits, baseline socioeconomic characteristics, entitlements based on the type of loss and tenure, the institutional arrangement for delivering the entitlements and mechanism for resolving grievances and monitoring.

4. The PMU has decided to call in for the services of RP implementation support agency/NGO experienced in carrying out such rehabilitation and resettlement activities at the grass-root level to assist the PIUs in RP implementation.

B. Objectives of the Assignment

5. The NGO shall assist the PPP Division, PWD(R), Rajasthan in the implementation of the Resettlement Plan for Tranche-3 Road subprojects grouped as four packages and comprising of 4-road subprojects and shall undertake the following tasks:

- Educating the DPs on their rights to entitlements and obligations.
- To ensure that the DPs are given the full entitlements due to them, according to the entitlements in the RP.
- To provide support and information to DPs for income restoration.
- Assist the DPs in relocation to resettlement site and rehabilitation, including counselling, and coordination with local authorities/line departments.
- Assist the DPs in redressing their grievances (through the grievance redress committee set up for the subproject)
- To assist the Project Implementation Unit (PIU) with the social responsibilities of the subproject, such as compliance with labour laws, prohibition of child labor, and gender issues.
- To conduct an awareness program on HIV/AIDs, Health and Hygiene, and Human Trafficking in affected villages.
- To collect data and submit progress reports on a monthly and quarterly basis for PIU to monitor the progress of RP implementation.

C. Scope of Work

a) Administrative Responsibilities of the NGO

- Working in coordination with the PD, PIU; and assisting the PD in carrying out the implementation of the RP;
- To assist the DPs in redressing their grievances through the GRCs;
- Assist the PIU in disclosure, conducting public meetings, information campaigns during the RP implementation, and giving full information to the affected community;
- Translate the summary of RP in local language for disclosure and disseminate to DPs;
- To assist the PIU in ensuring that the contractors comply with the applicable labour laws (including prohibition of child labour, bonded labour and gender requirements) as contained in the contract document;
- To assist the PIU in ensuring compliance with safety, health and hygiene norms, and the conduct HIV/AIDS and Human Trafficking awareness/prevention campaigns;
- Submit monthly and quarterly progress report to the PIU including both physical and financial progress. The report should also cover implementation issues, summary of grievances and summary of consultations.
- Provide data and information that PIU will require in the management of the data base of the DPs.
- Assist PIU in providing training to DPs, wherever required in the implementation of RP.

b) Responsibilities for Implementation of the RP

- Agency/NGO shall verify the information already contained in the RP and the individual losses of the DPs. They should validate the data provided in the RP and report to PIU on changes required, if any, along with documentary evidence.
- Wherever required, update the census and socioeconomic survey data and administer the census and socioeconomic survey questionnaire, if there are DPs who have been not covered during baseline survey and in particular the titleholders from whom land is being acquired.
- The Agency/NGO shall establish rapport with DPs, consult and provide information to them about the respective entitlements as proposed under the RP, and distribute entitlement cum Identity Cards to the eligible DPs. The identity card should include a photograph of the DP, the extent of loss suffered, the entitlement and contact details of the PIU, NGO and GRC.
- The Agency/NGO shall develop rapport between the DPs and the Project Director, PIU. This will be achieved through regular interactions with both the PIU and the DPs. Meetings with the PD, PIU will be held at least fortnightly, and meetings with the DPs will be held monthly, during the entire duration of the assignment. All meetings and decisions taken shall be documented by the NGO/Agency.
- Prepare monthly action plans with targets in consultation with the PIU.
- The Agency/NGO shall prepare micro plan detailing the type of impact and entitlements for each DP and display the list in prominent public places like villages, Panchayat offices, etc. prior to R&R award enquiry.
- During the verification of the eligible DPs, the Agency/NGO shall ensure that each of the DPs are contacted and consulted either in groups or individually. The Agency/NGO shall specially ensure consultation with women from the DPs families especially women headed households.
- Participatory methods should be adopted in assessing the needs of the DPs, especially with regard to the vulnerable groups of DPs. The methods of contact may include village level meetings, gender participation through group's interactions, and individual meetings and interactions.
- The Agency/NGO shall explain to the DPs the provisions of the policy and the entitlements under the RP. This shall include communication to the roadside squatters

and encroaches about the need for the timely shifting/relocation to resettlement site, the timeframe for disbursement of their entitlement.

- The Agency/NGO shall disseminate information to the DPs on the possible consequences of the project on the communities' livelihood systems and the options available, so that they do not remain ignorant.
- Agency/NGO will monitor the civil construction work in each package to ensure there is no bonded/child labour.
- In all of these, the Agency/NGO shall consider women as a special focus group, and deal with them with care and sympathy.
- The Agency/NGO shall assist the project authorities in ensuring a smooth transition (during the part or full relocation of the DPs), helping the DPs to take salvaged materials and shift. In close consultation with the DPs, the Agency/NGO shall inform the PIU about the shifting dates agreed with the DPs in writing and the arrangements desired by the DPs with respect to their entitlements.
- The Agency/NGO shall assist the DPs in opening bank accounts explaining the implications, the rules and the obligations of a joint account and how s/he can access the resources s/he is entitled to.

c) Accompanying and Representing the DPs at the Grievance Redressal Committee (GRC) Meetings

- The Agency/NGO shall nominate a suitable person (from the staff of the NGO) to assist the DPs in the GRC.
- The Agency/NGO shall make the DPs aware of the existence of grievance redressal committees (GRCs)
- The Agency/NGO shall help the DPs in filling the grievance application and also in clearing their doubts about the procedure as well as the context of the GRC award.
- The Agency/NGO shall record the grievance and bring it to the notice of the GRCs within seven days of receipt of the grievance from the DPs. It shall submit a draft note with respect to the particular grievance of the DP, suggesting multiple solutions, if possible, and deliberate on the same in the GRC meeting with the permission of the Chair of the GRC.
- To accompany the DPs to the GRC meeting on the decided date, help the DP to express his/her grievance in a formal manner if requested by the GRC and again inform the DPs of the decisions taken by the GRC within 3 days of receiving a decision from the GRC.

d) Carry out Public Consultation

- In addition to counseling and providing information to DPs, the Agency/NGO will carry out periodic consultation with DPs and other stakeholders
- Should organise meetings and appraise the communities about the schedule / progress of civil works
- All the consultations should be documented and if possible, photographs and attendance sheets should be compiled. The list of participants and a summary of the consultations and outcome should be submitted to PIU.

e) Assisting the PIU with the Project's Social Responsibilities

- The Agency/NGO shall assist the PIU to ensure that the Contractors are abiding by the various provisions of the applicable laws pertaining to labour standards.
- The Agency/NGO shall assist the PIU to implement HIV/AIDS awareness measures, including collaboration with the line agencies.
- The Agency/NGO will assist the PIU in conducting the R&R award enquiry
- Assist the PIU to incorporate changes in the micro plan, if any based on R&R award and resubmit the same to PIU for verification, endorsement and onward transmission to Additional Collector for disbursement.

f) Monitoring and Reporting

6. The RP includes provision for monitoring by PIU and quarterly, mid-term, and post-project monitoring and evaluation by external agency. The Agency/NGO involved in the implementation of the RP will be required to supply all information, documents to the external monitoring consultants.

D. Documentation and Reporting by NGO

7. The NGO selected for the assignments shall be responsible to:
- Submit an inception report within three weeks; on signing up of the contract including a work plan for the whole contract period, staffing and personnel deployment plan.
 - Prepare monthly progress reports to be submitted to the PIU, with weekly progress and work charts as against the scheduled timeframe of RP implementation.
 - Prepare and submit quarterly reports on a regular basis, to be submitted to the PIU.
 - Submit a completion report at the end of the contract period summarizing the actions taken during the project, the methods and personnel used to carry out the assignment, summary of support/assistance given to the DPs, lessons learnt, best practices and suggestions, if any, for effective implementation.
 - All other reports/documentation as described in these terms of reference.
 - Record minutes of all meetings.
 - Four copies of each report shall be submitted to PIU together with one soft copy of each report in the CD

E. Data, Services and Facilities to be provided by the Client

8. The PIU will provide to the NGO the copies of the RP, DPs' Census records and structure photographs, the strip plan of final design and any other relevant reports/data prepared by the DPR consultants. All facilities required in the performance of the assignment, including office space, office stationery, transportation and accommodation for staff of the Agency/NGO, etc., shall be arranged by the NGO.

F. Timeframe for Services

9. It is estimated that the NGO services will be required for about 36 months with intermittent inputs of key-personnel, to undertake the assignment of facilitating the implementation of the RP. Appendix 9: Terms of Reference for engaging an External Monitoring Agency/Expert

A. Project Description

1. The government of Rajasthan has proposed to upgrade its road network under Rajasthan State Highway Investment Program (RSHIP) and as part of this endeavor, the Public Works Department (PWD) of Rajasthan has been mandated to undertake improvement and up-gradation of various State Highways and Major District Roads at different locations in Rajasthan. As part of this mandate, the PPP Division of Rajasthan Public Works Department has identified the roads requiring improvement that would improve the connectivity to national highways, major towns, and industrial belts. The proposed investment program will support the up-gradation and improvement of the identified roads and Tranche-3 will finance 4 road projects totaling about 290.515 Km spread across the State of Rajasthan.

2. The Public-Private Partnership (PPP) Cell of the Public works Department has prepared the Resettlement Plan (RP) for Churu-Taranagar-Nohar of SH-36 proposed under Tranche-3 for improvements under RSHIP. This RP addresses social issues arising out of the acquisition of land and other assets, eviction of squatters, and removal of encroachments resulting in social and/or economic displacement to households/individuals/community, either direct or indirect and is in compliance with ADB's Safeguard Policy Statement, 2009 and Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013.

3. A Resettlement Plan (RP) has been prepared to assist the affected people to improve or at least restore their living standards to the pre-project level. This RP captures the involuntary resettlement impacts arising out of the proposed improvements to the road Churu-Taranagar-Nohar of SH-36 of RSHIP. The document describes the magnitude of impact, mitigation measures proposed method of valuation of land, structure and other assets, eligibility criteria for availing benefits, baseline socioeconomic characteristics, entitlements based on the type of loss and tenure, the institutional arrangement for delivering the entitlements and mechanism for resolving grievances and monitoring.

4. The PIUs have appointed agencies/NGO's to support the respective PIU in RP implementation. The subproject includes a provision for monitoring and evaluation of the implementation of the subproject resettlement plans by an external monitor/agency. Therefore, the PMU requires the services of a reputed individual/consultancy firm for monitoring and evaluation of RP implementation.

B. Scope of work – Generic

5. The scope of work includes:

- To review and verify the progress in resettlement implementation as outlined in the RP;
- To monitor the effectiveness and efficiency of PIU, and NGO in RP implementation;
- To assess whether resettlement objectives, particularly livelihoods and living standards of the Displaced Persons (DPs) have been restored or enhanced;
- To assess resettlement efficiency, effectiveness, impact, and sustainability, drawing both on policies and practices and to suggest any corrective measures, if necessary; and
- To review the project impacts on vulnerable groups, indigenous people, and groups and assess the effectiveness of the mitigative actions taken.

C. Scope of work- Specific

6. The major tasks expected from the external monitor are:
- To develop specific monitoring indicators for undertaking monitoring for RP implementation;
 - Review results of internal monitoring and verify claims through random checking by adopting suitable sampling method at the field level to assess whether land acquisition/resettlement objectives have been generally met;
 - Involve the affected people and community groups in assessing the impact of land acquisition for monitoring and evaluation purposes;
 - Evaluate and assess the adequacy of compensation and R&R assistances given to the DPs, the resettlement sites developed and relocation process and the livelihood opportunities and incomes as well as the quality of life of DPs; and
 - To evaluate and assess the adequacy and effectiveness of the consultative process with DPs, particularly those vulnerable, including the adequacy and effectiveness of grievance procedures and legal redress available to the displaced persons, and dissemination of information about these.

D. Time Frame and Reporting

7. The independent monitoring agency/expert will be responsible for overall monitoring of the RP implementation and will submit a quarterly review directly to PMU for onward transmission to ADB with PMU's comments.

E. Qualifications

8. The monitoring agency/expert will have significant experience in resettlement policy analysis and RP implementation. Further, work experience and familiarity with all aspects of resettlement operations would be desirable. The Team Leader / Expert should have the following qualification: (i) postgraduate degree in social science; (ii) 15 years experience in R&R; (iii) experience in ADB/WB funded R&R projects; and (iv) R&R monitoring experience in ADB/WB funded projects. Interested agencies/consultants should submit the proposal for the work with a brief statement of the approach, methodology, and relevant information concerning previous experience on monitoring resettlement implementation and preparation of reports.

9. The profile of the agency/expert along with the full CV of monitors to be engaged must be submitted along with the proposal.

F. Budget and Logistics

10. Copies of the proposal - both technical and financial - should be submitted and the budget should include all costs and any other logistics details necessary for resettlement monitoring.
