Description	The knowledge and support technical assistance cluster (C-KSTA) on Supporting Debt Management and Transparency, consisting of five subprojects, was approved in November 2021. Subprojects 1, 3 and 4 are expected to be committed within 2022, to support public debt management and transparency in the Kyrgyz Republic, Tajikistan and Pakistan. Subprojects 2 and 5 are expected to be approved by the fourth quarter of 2022.				
Project Rationale and Linkage to Country/Regional Strategy	The TA subproject will have the following outcome: debt sustainability and transparency in the Kyrgyz Republic improved. The proposed subproject builds on longstanding policy dialogue with the Ministry of Finance (MOF) on public debt and fiscal risk management.

Consulting Services	The TA will require three international consultants (12 person-months in total) and one national consultant (7 person-months). ADB will engage the consultants following the ADB Procurement Policy (2017, as amended from time to time) and its associated procurement staff instructions. In consultation with the MOF and ADB, the consultants will develop appropriate knowledge products such as recommendation reports and deliver a presentation on major findings and recommendations at an agreed event.				
Procurement	The TA will have the option to procure software and hardware requirements for rollout of DMFAS-6. Prior consultation with the ADB's Procurement, Portfolio, and Financial Management Department (PPFD) will be done before proceeding with the appropriate procurement method to ensure compliance with the related staff instruction on the ADB Procurement Policy: Goods, Works, Non-consulting and Consulting Services (2017, as amended from time to time); Procurement Regulations for ADB Borrowers (2017, as amended from time to time); and, in general, the ADB Procurement Policy and its associated project administration instructions and/or staff instructions.
