Description	The publication provides (i) the latest comprehensive compendium and analysis of trends in economic, social, financial, and environmental indicators, including those pertaining to the Sustainable Development Goals (SDGs) for ADB's regional members; (ii) a unique set of reliable and accurate statistics on global value chains (GVCs) that capture trade links across countries and industries while accounting for the complex input-output relationships involved in producing goods and services; and (iii) a special study that provides in-depth, data-intensive analysis of an important policy issue.
Project Rationale and Linkage to Country/Regional Strategy	Subproject 3 will cover the production of Key Indicators knowledge products. The subproject will support the (i) launch and publication of the Key Indicators for Asia and the Pacific 2020 (including the production of statistical tables for SDGs, country and regional trends, GVCs), Basic Statistics 2020, special supplement, and special study; (ii) updating, maintenance and simplifying of the ADB database systems such as the SDBS, Portal for Statistics Resources (StatPortal), and the ADB Multi-Region Input-Output (MRIO) Database; and (iii) workshops for knowledge sharing and dissemination of key results and policy recommendations.
Impact	Evidence-based policy making, investment decisions, and project design in ADB's DMCs enhanced.
