

REPUBLIC OF CABO VERDE

**Cabo Verde COVID-19 Emergency
Response Project**

Additional Financing on Vaccines (P175807)

**ENVIRONMENTAL and SOCIAL
COMMITMENT PLAN (ESCP)**

December 21, 2020

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Cabo Verde (the **Recipient**) under the leadership of the Ministry of Health and Social Security (MHSS) is implementing a Cabo Verde Covid-19 Emergency Response Project (P173857) (the **Parent Project**), for which it has requested an Additional Financing (AF). The International Development Association (the Association) has agreed to provide financing for the Additional Financing.
2. The Recipient shall implement material measures and actions so that the Project is implemented in accordance with the Environmental and Social Standards (**ESSs**). This Environmental and Social Commitment Plan (**ESCP**) sets out material measures and actions, any specific documents or plans, as well as the timing for each of these, including the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, grievance management and the environmental and social assessments and instruments to be prepared or updated, disclosed, consulted, adopted and implemented under the ESCP and the ESSs, all in a manner acceptable to the Association.
3. Implementation of the material measures and actions set out in this ESCP will be monitored and reported to the Association by the Recipient as required by the ESCP and the provisions of the Financing Agreement.
4. As agreed by the Association and the Recipient, this ESCP may be revised from time to time during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, the Recipient will agree to the changes with the Association and will update the ESCP to reflect such changes. Agreement on changes to the ESCP will be documented through the exchange of letters signed between the Association and the Recipient. The Recipient shall promptly disclose the updated ESCP.
5. Where Project changes, unforeseen circumstances, or Project performance result in changes to the risks and impacts during Project implementation, the Recipient shall provide additional funds, if needed, to implement actions and measures to address such risks and impacts.

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
MONITORING AND REPORTING			
A	<p>REGULAR REPORTING:</p> <ul style="list-style-type: none"> Prepare and submit to the Association regular monitoring reports on the environmental, social, health and safety (ESHS) performance of the Project, including but not limited to the implementation of the ESCP, status of preparation and implementation of E&S documents required under the ESCP, stakeholder engagement activities, and functioning of the grievance mechanism(s). 	Starting from the Effective date, submit quarterly throughout the Project implementation period.	Cabo Verde Ministry of Health and Social Security (MHSS) and Ministry of Finance (MoF), through the project implementation unit - the <i>Unidade de Gestão de Projetos Especiais</i> (UGPE).

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
<p>B INCIDENTS AND ACCIDENTS NOTIFICATION</p> <ul style="list-style-type: none"> • Notify the Association of any incident or accident related to the Project which has, or is likely to have, a significant adverse impact on the environment, the affected communities, the public, or the workers, including: contamination of water resources and soil with hazardous materials due to accident spillages; occupational accidents that may result in death or severe injury of workers (such as falls and vehicle accidents); incidents related to GBV, including sexual exploitation and abuse and sexual harassment (SEA/SH), as well as child labor or any other forms of violence against children. • Provide the Association sufficient detail regarding the incident or accident, indicating immediate measures taken, or that are planned to be taken, to address it, and any information provided by any contractor and supervising entity, as appropriate. • Subsequently, as per Association’s request, prepare a report on the incident or accident and propose any measures to prevent its recurrence and/or mitigate the risk of future such incidents. A report of the incident shall be submitted, detailing summary findings of the Root Cause Analysis (RCA). • An incident/accident register shall be maintained at all construction sites, throughout the works. Documentation of SEA/SH claims will be maintained separately and in a secure place that can be locked with very limited access. • For SEA/SH-related incidents, the survivor should be referred immediately to services following a survivor-centered protocol to be developed as part of the Grievance Mechanism (GM), which will be adapted to manage SEA/SH claims ethically and confidentially. • For SEA/SH incidents, reports to the Association regarding these claims must adhere to international norms and best practices regarding the management and sharing of survivor data (WHO Ethical and safety recommendations, 2007; GBVIMS Best Practices). As such, confidentiality should be ensured for the survivor as well as the accused, with no identifying information for either provided. 	<ul style="list-style-type: none"> • Notify the Association within 48 hours after learning of the accident or incident. Throughout project implementation. • Subsequently, a report would be provided within a timeframe acceptable to the Association, as requested 	<p>Contractor/ Supervising Entity notifies MHSS/UGPE</p> <p>MHSS/UGPE notifies the Association</p> <p>MHSS/UGPE shall provide subsequent report on the incident or accident within a timeframe acceptable to the Association, as requested.</p>

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
C	<p>CONTRACTORS MONTHLY REPORTS</p> <ul style="list-style-type: none"> In case contractors are hired to undertake the works planned as part of the Project activities or sub-activities, the Recipient, through the PIU, will require such contactors to submit monthly monitoring reports to the PIU regarding the ESHS performance of the contracted works. The Recipient will submit such monthly reports to the Association upon request. Any reports by contractors to the Recipient (via the PIU) regarding individual SEA/SH incidents must follow the above guidance (see Part B). Any reports on the functioning of the contractors' GM, if applicable, should report data on SEA/SH incidents in aggregate form only (type of GBV and age/sex of the survivor). 	<ul style="list-style-type: none"> Contractors' monthly reports to PIU throughout their Contracts. PIU submits the monthly monitoring reports to the Association whenever requested. 	<p>Contractors</p> <p>MoF/ UGPE</p>
ESS 1: ASSESSMENT AND MANAGEMENT OF ENVIRONMENTAL AND SOCIAL RISKS AND IMPACTS			
1.1	<p>ORGANIZATIONAL STRUCTURE:</p> <p>The Ministry of Health and Social Security (MHSS) has set up a PIU (the UGPE) for the Parent Project (PP) with qualified staff and resources to support management of environmental and social risks and impacts of the Project, including an environmental and social specialist (E&S). The E&S will be responsible to manage and supervise the environmental and social risks and impacts of the AF as well.</p>	<p>The environmental and social specialist is already assigned to the Project and she/he will be maintained throughout Project implementation.</p>	<p>UGPE</p>

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
1.2	<p>ENVIRONMENTAL AND SOCIAL ASSESSMENT/MANAGEMENT PLANS AND INSTRUMENTS</p> <p>a. Assess the environmental and social risks and impacts of proposed Project activities in accordance with the ESSs, the Environmental, Health and Safety Guidelines (EHSGs), the Parent Project (PP) ESMF, LMP and GBV/SEA/SH Action Plan (GBV AP) to be updated, disclosed, adopted, and implemented, and other relevant Good International Industry Practice (GIIP), including relevant WHO guidelines.</p> <p>b. Prepare, disclose, consult, adopt and implement any environmental and social management plans, e.g. Medical Waste Management Plans (MWMPs), instruments or other measures required for the respective Project activities based on the assessment process, in accordance with the ESSs, the ESMF, the EHSGs, and other relevant Good International Industry Practice (GIIP), including relevant WHO guidelines to, <i>inter alia</i>, ensure access to and allocation of Project benefits in a fair, equitable and inclusive manner, taking into account the needs of individuals or groups who, because of their particular circumstances, may be disadvantaged or vulnerable, including, as relevant, with regards to COVID-19 Vaccines.</p> <p>c. Incorporate the relevant aspects of this ESCP, including, <i>inter alia</i>, the ESMF, any environmental and social management plans, MWMPs and/or other instruments, ESS2 requirements, and any other required ESHS measures, into the ESHS specifications of the procurement documents and contracts with contractors and supervising firms. Thereafter, ensure that the contractors and supervising firms comply with the ESHS specifications of their respective contracts.</p> <p>d. Adopt procedures, protocols and/or other measures to ensure voluntary consent of Project beneficiaries receiving COVID-19 Vaccines under the Project.</p>	<p>a. The PP ESMF, LMP and GBV AP shall be updated and disclosed by Effectiveness and implemented throughout Project implementation.</p> <p>b. Plans/instruments shall be prepared, disclosed, consulted and adopted before the carrying out of the relevant Project activities, and thereafter implemented throughout the carrying out of such activities.</p> <p>c. The relevant ESHS measures shall be incorporated into the procurement documents before launching the procurement process for the relevant Project activities and shall thereafter complied with throughout the carrying out of such activities.</p> <p>d. Before the carrying out of the relevant Project activities, and thereafter implemented throughout the carrying out of such activities.</p>	UGPE

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
1.3	<p>CONTRACTORS:</p> <ul style="list-style-type: none"> Construction-Environmental and Social Management Plans (C-ESMP) and Occupational Health and Safety Management Plans (OHSMP) must include provisions to address COVID-19 risk as well as to address the Project SEA/SH-related risks ethically and adequately. These plans need to include Code of Conduct (CoC) that specifically prohibit SEA/SH and include applicable sanctions. Incorporate the relevant aspects of this ESCP, including, <i>inter alia</i>, any environmental and social management plans or other instruments, ESS2 requirements, and any other required ESHS measures, into the ESHS specifications of the procurement documents and contracts with contractors and supervising firms. Thereafter, ensure that the contractors and supervising firms comply with the ESHS specifications of their respective contracts. Contractors shall reflect the requirements stated in the GBV AP in their C-ESMP. The procurement documents shall set out clearly how adequate SEA/SH related costs will be paid for in the Contract. 	<ul style="list-style-type: none"> The relevant ESHS measures shall be incorporated into the procurement documents before launching the procurement process for the relevant Project activities and shall thereafter complied with throughout the carrying out of such activities. Before the carrying out of the relevant Project activities, and thereafter implemented throughout the carrying out of such activities. 	Contractors and UGPE for the monitoring part

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
1.3	<p>EXCLUSIONS:</p> <p>Exclude the following type of activities as ineligible for financing under the Project:</p> <ul style="list-style-type: none"> • Activities that may cause long term, permanent and/or irreversible (e.g., loss of major natural habitat) adverse impacts • Activities that have high probability of causing serious adverse effects to human health and/or the environment • Activities that may have significant adverse social impacts and may give rise to significant social conflict • Activities that may affect lands or rights of any vulnerable communities, • Activities that may involve permanent involuntary resettlement, including physical and/or economical displacement, and/or land acquisition, and/or adverse impacts on cultural heritage • All other excluded activities set out in the ESMF of the Project. 	<p>These exclusions shall be applied as part of the assessment process conducted under action 1.2.a. above.</p>	UGPE
ESS 2: LABOR AND WORKING CONDITIONS			
2.1	<p>LABOR MANAGEMENT:</p> <ul style="list-style-type: none"> • The Project shall be carried out in accordance with the applicable requirements of ESS2, in a manner acceptable to the Association, including through, <i>inter alia</i>, implementing adequate occupational health and safety measures (including emergency preparedness and response measures), setting out grievance mechanisms (GM) for Project workers, and incorporating labor requirements into the ESHS specifications of the procurement documents and contracts with contractors and supervising firms. • Update, disclose, adopt, and implement the Parent Project (PP) Labor Management Procedures (LMP) in a manner acceptable to the Association. 	<ul style="list-style-type: none"> • The Project shall be carried out in accordance with the applicable requirements of ESS2 throughout Project implementation. • The PP LMP shall be updated and disclosed by Effectiveness . The LMP shall be implemented throughout Project implementation. • The GM for Project workers shall be operational by the Effective Date and prior to engaging Project workers and start of any activities. GM maintained throughout Project implementation. 	UGPE
ESS 3: RESOURCE EFFICIENCY AND POLLUTION PREVENTION AND MANAGEMENT			

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
<p>Relevant aspects of this standard shall be considered, as needed, under action 1.2 above, including, <i>inter alia</i>, measures to: carry out the purchase, storage, transportation and handling of vaccines (including, ultra-cold chain management) in a safe manner and in accordance with the EHSs, and other relevant GIIP including relevant WHO guidelines; and adequately manage and dispose of health care wastes (including, vaccines) in the MWMPs, , and other types of hazardous and non-hazardous wastes.</p>	<ul style="list-style-type: none"> Plans/instruments shall be prepared, disclosed, consulted and adopted before the carrying out of the relevant Project activities, and thereafter implemented throughout the carrying out of such activities. The relevant ESHS measures shall be incorporated into the procurement documents before launching the procurement process for the relevant Project activities and shall thereafter complied with throughout the carrying out of such activities. 	<p>UGPE</p>
<p>ESS 4: COMMUNITY HEALTH AND SAFETY</p>		
<ul style="list-style-type: none"> Relevant aspects of this standard shall be considered, as needed, under action 1.2 above including, <i>inter alia</i>, measures to: minimize the potential for community exposure to communicable diseases; ensure that individuals or groups who, because of their particular circumstances, may be disadvantaged or vulnerable, have access to the development benefits resulting from the Project; manage the risks of the potential use of security personnel; manage the risks of labor influx; and prevent and respond to sexual exploitation and abuse, and sexual harassment. GBV/SEA/SH mitigation measures shall be implemented to address identified SEA/SH risks per the GBV AP/s. The Recipient shall recruit GBV services providers to facilitate access to timely, safe and confidential services for survivors (including providing funding for transportation, documentation fees, and lodging if needed). 	<ul style="list-style-type: none"> All measures shall be included in the ESMF and adopted before the commencement of any Project activities and shall remain operational throughout Project implementation. 	<p>UGPE</p>

<p>4.2</p>	<p>USE OF MILITARY OR SECURITY FORCES: The following measures shall be adopted, to ensure that the engagement of [security or military] personnel [in the implementation of Project activities] [for provision of security to Project workers, sites and/or assets], is carried out in accordance with the ESSs:</p> <ul style="list-style-type: none"> • Assess the risks and impacts of engagement of the [security or military] personnel, as part of the assessment referred to in action 1.2 (a) above, and implement measures to manage such risks and impacts, [including a stand-alone Security Management Plan], guided by the principles of proportionality and GIIP, and by applicable law, in relation to hiring, rules of conduct, training, equipping, and monitoring of such [security or military] personnel; • Adopt and enforce standards, protocols and codes of conduct for the selection and use of [security or military] personnel, and screen such personnel to verify that they have not engaged in past unlawful or abusive behavior, including sexual exploitation and abuse (SEA), sexual harassment (SH) or excessive use of force; • Ensure that [indicate the responsible entity, e.g. Project implementing entity] enters into a memorandum of understanding (MoU), with the [line ministry in control of military or security forces] [and] [relevant Security or Military Unit], setting out the arrangements for the engagement of the [military or security personnel] under the Project, including compliance with the relevant requirements of this ESCP;] • Ensure that such personnel is adequately instructed and trained, prior to deployment and on a regular basis, on the use of force and appropriate conduct (including in relation to civilian-military engagement, SEA and SH, and other relevant areas), as set out in the [Project Implementation Manual], [ESMF], [Security Management Plan], [MoU]; • Ensure that the stakeholder engagement activities under the Stakeholder Engagement Plan (SEP) include a communication strategy on the involvement of [security or military] personnel under the Project; 	<p>a) Assessment carried out in the same timeframe than action 1.2 (a) above and [any required measures shall be adopted before deploying [security or military] personnel under the Project and thereafter implemented throughout Project implementation] or [a stand-alone Security Management Plan shall be prepared and adopted before deploying [security or military] personnel under the Project and thereafter implemented throughout Project implementation].</p> <p>b), c) and d) before deploying [security or military] personnel under the Project and thereafter throughout Project implementation.</p> <p>e) and f) as set out under actions 10.1 and 10.2, respectively.</p>	<p>UGPE</p>
------------	---	--	-------------

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
<ul style="list-style-type: none"> Ensure that any concerns or grievances regarding the conduct of [security or military] personnel are received, monitored, documented (taking into account the need to protect confidentiality), resolved through the Project's grievance mechanism (see action 10.2 below) and reported to the [Bank/Association] no later than 48 hours after being received. 		
ESS 5: LAND ACQUISITION, RESTRICTIONS ON LAND USE AND INVOLUNTARY RESETTLEMENT		
5.1	Not currently relevant. No land acquisition, restrictions on land use or involuntary resettlement in the proposed project. Small rehabilitation works of existing health facilities will be conducted within existing government facilities/grounds and no new land will be acquired or accessed.	
ESS 6: BIODIVERSITY CONSERVATION AND SUSTAINABLE MANAGEMENT OF LIVING NATURAL RESOURCES		
	Not currently relevant.	
ESS 7: INDIGENOUS PEOPLES/SUB-SAHARAN AFRICAN HISTORICALLY UNDERSERVED TRADITIONAL LOCAL COMMUNITIES		
	Not relevant, as there are no IP/SSAHUTLCs in Cabo Verde.	
ESS 8: CULTURAL HERITAGE		
	Not currently relevant.	
ESS 9: FINANCIAL INTERMEDIARIES		
	Not relevant.	
ESS 10: STAKEHOLDER ENGAGEMENT AND INFORMATION DISCLOSURE		
10.1	<p>STAKEHOLDER ENGAGEMENT PLAN: Update, disclose, adopt, and implement the parent project (PP) Stakeholder Engagement Plan (SEP) consistent with ESS10, which shall include measures to, <i>inter alia</i>, provide stakeholders with timely, relevant, understandable and accessible information, and consult with them in a culturally appropriate manner, which is free of manipulation, interference, coercion, discrimination and intimidation.</p>	<p>The PP SEP shall be updated and disclosed before Appraisal. The SEP shall be implemented throughout Project implementation.</p> <p>UGPE</p>

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY/AUTHORITY
<p>10.2 GRIEVANCE MECHANISM:</p> <ul style="list-style-type: none"> • Ensure that the PP’s grievance mechanism (GM) is maintained, equipped and adapted to address SEA/SH-allegations ethically and confidentially and integrate an appropriate response protocol for such claims. • Accessible GBV/SEA/SH-sensitive grievance arrangements shall be made publicly available to receive and facilitate resolution of concerns and grievances in relation to the Project, consistent with ESS10 . 	<p>The grievance arrangements of the PP shall be equipped and adapted to address GBV/SEA/SH-allegations before the commencement of any Project activities and shall remain operational throughout Project implementation.</p>	<p>UGPE</p>
<p>CAPACITY SUPPORT (TRAINING)</p>		
<p>Training topics for personnel involved in Project implementation will among others include:</p> <ul style="list-style-type: none"> • COVID-19 Infection Prevention and Control Recommendations • Laboratory biosafety guidance related to COVID-19 • Specimen collection and shipment • Standard precautions for COVID-19 patients • Risk communication and community engagement • Management and supervision of the GBV/SEA/SH-sensitive GM • Risk of gender-based violence, including the mechanism for submitting GBV/SEA complaints • WHO and Africa CDC guidelines on quarantine including case management 	<p>Throughout Project implementation.</p>	<p>UGPE</p>
