Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.

As agreed by the Association and the Recipient, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Recipient and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Recipient's Education Development Management Unit (EDMU) Program Director.
