ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN (ESCP)

June, 2024

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Zambia (the Recipient) will implement the Scaling Up Shock Responsive Social Protection (SSRSP) Project (the Project), with the involvement of the Gender Division, Ministry of Community Development and Social Services (MCDSS), and Ministry of Education (MOE), as set out in the Financing Agreements and Grant Agreements. The International Development Association (the Association) has agreed to provide original financing (P179095), first additional financing (P181651) and a second additional financing (P P181711) for the Project, as set out in the referred agreements. This Environmental and Social Commitment Plan (ESCP) supersedes previous versions of the ESCP for the Project and shall apply both to the original financing, and the additional financing (first additional financing and second additional financing) for Project referred to above.
2. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP is a part of the Financing Agreements and Grant Agreements. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreements.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and the Recipient, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Republic of Zambia, through the MCDSS, and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Permanent Secretary of MCDSS. The Recipient shall promptly disclose the updated ESCP.
