4th December 2025

**Karla Maria Gonzalez Carvajal
Country Representative to Belize
Inter-American Development Bank
1024 Newtown Barracks,
1st Floor Marina Towers Building,
Belize City, Belize**

Dear Mrs. Gonzalez Carvajal,

**Ref: Government of Belize Non-Objection Technical Cooperation “Resilient Cities:
Strengthening Climate Readiness in Belize”**

The Ministry of Finance, Investment and Economic Transformation, Civil Aviation & E-Governance is responding to the request of the Inter-American Development Bank Group regarding the proposed Non-Reimbursable Technical Cooperation (TC) project entitled “Resilient Cities: Strengthening Climate Readiness in Belize”, which focuses on building the capacity of municipalities to respond to climate change challenges, ensuring readiness and an improved capacity to support socio-economic resilience at the local level in Belize.

The specific objective of this TC is to enhance community climate resilience in four underserved municipalities by operationalizing Belize’s National Land Use Policy at the local level and building municipal capacity to manage climate risks in a gender sensitized and inclusive manner.

The Ministry, on behalf of the Government of Belize, is pleased to issue this Letter of No Objection to the Inter-American Development Bank to support the afore-mentioned project, under its Compete Caribbean+ (CC+) Programme.

We further hereby provide No-Objection for the Bank to initiate technical assistance with the Ministry of Rural Transformation and for the Bank to act as the Executing Agency of said operation.

We wish to express our appreciation for this support to strengthen climate-smart cities in Belize and look forward to continued collaboration.

Sincerely,

Mr. Carlos Pol
Chief Executive Officer
Ministry of Economic Transformation
