PROJECT AGREEMENT dated 05 August 2010 between ASIAN DEVELOPMENT BANK ("ADB") and MUNICIPAL DEVELOPMENT FUND OF GEORGIA ("MDF").

WHEREAS

(A) by a Loan Agreement of even date herewith between Georgia ("Borrower") and ADB ("Loan Agreement"), ADB has agreed to make to the Borrower a loan of fifty-seven million nine hundred eighty-six thousand Special Drawing Rights (SDR57,986,000) ("Loan") on the terms and conditions set forth therein;

(B) MDF, in consideration of ADB entering into the Loan Agreement with the Borrower, has agreed to undertake the obligations hereinafter set forth;

NOW THEREFORE the parties hereto agree as follows:

ARTICLE I

Definitions

Section 1.01. Wherever used in this Project Agreement, unless the context otherwise requires, the several terms defined in the Loan Agreement and in the Loan Regulations (as defined in the Loan Agreement) have the respective meanings therein set forth.

ARTICLE II

Particular Covenants

Section 2.01. (a) MDF shall carry out the Project with due diligence and efficiency, and in conformity with sound administrative, financial, engineering, environmental and social practices.

(b) In the carrying out of the Project, MDF shall perform all obligations set forth in the Loan Agreement to the extent that such are applicable to MDF.

Section 2.02. MDF shall make available, promptly as needed, the facilities, services, equipment and other non-financial resources which are required, in addition to the proceeds of the Loan, for the carrying out of the Project.

Section 2.03. (a) In the carrying out of the Project, MDF shall employ competent and qualified consultants and contractors, acceptable to ADB, to the extent and upon terms and conditions satisfactory to ADB.

(b) Except as ADB may otherwise agree, all Goods, Works and Consulting Services to be financed out of the proceeds of the Loan shall be procured in accordance with the provisions of Schedule 4 to the Loan Agreement. ADB may refuse to finance a contract where Goods, Works or Consulting Services have not been procured under procedures substantially in accordance with those agreed between the Borrower and ADB or where the terms and conditions of the contract are not satisfactory to ADB.

Section 2.04 MDF shall carry out the Project in accordance with plans, design standards, specifications, work schedules and construction methods acceptable to ADB. MDF shall furnish, or cause to be furnished, to ADB, promptly after their preparation, such plans, design standards, specifications and work schedules, and any material modifications subsequently made therein, in such detail as ADB shall reasonably request.

Section 2.05. (a) MDF shall take out and maintain with responsible insurers, or make other arrangements satisfactory to ADB, for insurance of delivery and installation of the Project's or Subprojects' facilities to such extent and against such risks and in such amounts as shall be consistent with sound practice.

(b) Without limiting the generality of the foregoing, MDF undertakes to insure, or cause to be insured, the Goods to be imported for the Project and to be financed out of the proceeds of the Loan against hazards incident to the acquisition, transportation and delivery thereof to the place of use or installation, and for such insurance any indemnity shall be payable in a currency freely usable to replace or repair such Goods.

Section 2.06. MDF shall maintain, or cause to be maintained, records and accounts adequate to identify the Goods, Works, Consulting Services and other items of expenditure financed out of the proceeds of the Loan, to disclose the use thereof in the Project, to record the progress of the Project (including the cost thereof) and to reflect, in accordance with consistently maintained sound accounting principles, its operations and financial condition.

Section 2.07. (a) ADB and MDF shall cooperate fully to ensure that the purposes of the Loan will be accomplished.

(b) MDF shall promptly inform ADB of any condition which interferes with, or threatens to interfere with, the progress of the Project, the performance of its obligations under this Project Agreement, or the accomplishment of the purposes of the Loan.

(c) ADB and MDF shall from time to time, at the request of either party, exchange views through their representatives with regard to any matters relating to the Project, MDF and the Loan.

Section 2.08. (a) MDF shall furnish to ADB all such reports and information as ADB shall reasonably request concerning (i) the Loan and the expenditure of the proceeds thereof; (ii) the Goods, Works, Consulting Services and other items of expenditure financed out of such proceeds; (iii) the Project; (iv) the administration, operations

and financial condition of MDF; and (v) any other matters relating to the purposes of the Loan.

(b) Without limiting the generality of the foregoing, MDF shall furnish to ADB semiannual reports on the execution of the Project and on the operation and management of the Subprojects. Such reports shall be submitted in such form and in such detail and within such a period as ADB shall reasonably request, and shall indicate, among other things, progress made and problems encountered during the period under review, steps taken or proposed to be taken to remedy these problems, and proposed program of activities and expected progress during the following 6 months.

(c) Promptly after physical completion of the Project, but in any event not later than 3 months thereafter or such later date as ADB may agree for this purpose, MDF shall prepare and furnish to ADB a report, in such form and in such detail as ADB shall reasonably request, on the execution and initial operation of the Project, including its cost, the performance by MDF of its obligations under this Project Agreement and the accomplishment of the purposes of the Loan.

Section 2.09. MDF shall (i) maintain separate accounts for the Project and each Subproject; (ii) have such accounts and related financial statements (balance sheet, statement of income and expenses, and related statements) audited annually, in accordance with appropriate auditing standards consistently applied, by independent auditors whose qualifications, experience and terms of reference are acceptable to ADB; and (iii) furnish to ADB, promptly after their preparation but in any event not later than 8 months after the close of the fiscal year to which they relate, certified copies of such audited accounts and financial statements and the report of the auditors relating thereto (including the auditors' opinion on the use of the proceeds of the Loan), all in the English language. MDF shall furnish to ADB such further information concerning such accounts and financial statements and the audit thereof as ADB shall from time to time reasonably request.

Section 2.10. MDF shall enable ADB's representatives to inspect the Project/Subproject, the Goods and Works financed out of the proceeds of the Loan and any relevant records and documents.

Section 2.11. (a) MDF shall, promptly as required, take all action within its powers to maintain its corporate existence, to carry on its operations, and to acquire, maintain and renew all rights, properties, powers, privileges and franchises which are necessary in the carrying out of the Project or in the conduct of its business.

(b) MDF shall at all times conduct its business in accordance with sound administrative, financial, environmental and social practices, and under the supervision of competent and experienced management and personnel.

(c) MDF shall at all times operate in accordance with sound administrative, financial, engineering, environmental, social, and maintenance and operational practices.

Section 2.12. Except as ADB may otherwise agree, MDF shall not sell, lease or otherwise dispose of any of its core assets which shall be required for the efficient carrying on of its operations or the disposal of which may prejudice its ability to perform satisfactorily any of its obligations under this Project Agreement.

Section 2.13. Except as ADB may otherwise agree, MDF shall apply the proceeds of the Loan to the financing of expenditures on the Project in accordance with the provisions of the Loan Agreement and this Project Agreement, and shall ensure that all Goods, Works and Consulting Services financed out of such proceeds are used exclusively in the carrying out of the Project.

Section 2.14. MDF shall promptly notify ADB of any proposal to amend, suspend or repeal any provision of its Charter where there is an impact on the Project and shall afford ADB an adequate opportunity to comment on such proposal prior to taking any action thereon.

ARTICLE III

Effective Date; Termination

Section 3.01. This Project Agreement shall come into force and effect on the date on which the Loan Agreement shall come into force and effect. ADB shall promptly notify MDF of such date.

Section 3.02. (a) This Project Agreement and all obligations of the parties hereunder shall terminate on the earlier of the following two dates:

- (i) the date on which the Loan Agreement shall have terminated in accordance with its terms; or
- (ii) a date 10 years after the date of this Project Agreement.

(b) If the Loan Agreement terminates in accordance with its terms before the date specified in paragraph (a)(ii) of this Section, ADB shall promptly notify MDF of this event.
