Business Opportunities	
Consulting Services	The firm will submit progress reports, which will be reviewed by ADB and the government. All reports will be available in English and Chinese. Resource persons may be engaged to review the consultants' outputs and share knowledge during workshops and conferences.
Procurement	ADB will engage a firm following ADB's Procurement Policy (2017, as amended from time to time) and its associated project administration instructions and/or staff instructions. The TA requires a minimum of 1.0 person-month of international and 21.5 person-months of national consulting inputs. The firm will be engaged using the quality- and cost-based selection method, with a qualitycost ratio of 90:10 because of the assignment's technical complexity, by inviting simplified technical proposals. The contract will be output-based to ensure efficient contract management and to provide flexibility for mobilizing additional experts if needed.
