IV. Other Disbursement Instructions

Output Based Payments under Part 1.1 of the Project (Category 1)

Sub-Component 1.1, to be financed under Category 1, will use an output-based approach (OBA). Disbursements will be presented for Reimbursement to be made against eligible **Outputs** as reported semiannually by the Project through Consolidated Statement of Expenditures upon receipt of certified report by an Independent Verifying Agent (I/A).

Output-based Payments will be semiannually processed against achievement of agreed annual goals for the registration of Eligible Households in CEP (“Comer es Primero” Program) – **Output 1**, Eligible Household members in the Education programs, ILAE (“Incentivo de Asistencia Escolar”) – **Output 2** and BEEP (“Bono Escolar Estudiando Progreso”) – **Output 3**, and into Subsidized National Health Insurance (SENASA) – **Output 4**.

The project will disburse the amount correspondent to the Unit Cost Value registration of Eligible Households in CEP (“Comer es Primero” Program) – **Output 1**, Eligible Household members in the Education programs, ILAE (“Incentivo de Asistencia Escolar”) – **Output 2** and BEEP (“Bono Escolar Estudiando Progreso”) – **Output 3**, and into Subsidized National Health Insurance (SENASA) – **Output 4**, up to the cutoff dates (June 30th and December 31st) following the procedures detailed in the Operational Manual and the relevant provisions in the Legal Agreement (Section VI, B.1 and 2 of Schedule 2).

Output-based Payments will be made in two tranches each year subject to the achievement by PROSOLI and SENASA of the annual goals, as set forth in the Operational Manual and verified by the concurrent technical audit semiannually. The first payment will be presented in the first semester of each year, corresponding to the actual Output-Based Indicators achieved for the period from January 1st to June 30th. Disbursements will be made to the degree of achievement for each goal by multiplying the number of the outputs by their respective Unit Cost.

The second payment will be presented in the second semester, corresponding to the Output Based Indicators achieved for the period from July 1 to December 31st. For the second semester, where the annual goals will be verified, the total amount will be deducted from the amount already disbursed for the first semester to not exceed the total annual amount authorized for the year.

No withdrawals shall be made under Category 1, unless the borrower has submitted the relevant semi-annual report referred in Section II C () of Schedule 2 of the Loan Agreement confirming the achievement of the respective Output-Based Indicators, as set forth in the Project Operations Manual.

The unit costs might be adjusted at Project mid-term, or at any other stage of Project implementation, when variances are deemed to be greater than 15% of the Unit Costs (as per reviewed and confirmed by the IVA).

**Condiciones de uso de credenciales de identificación seguras
en relación con el empleo de medios electrónicos para el procesamiento
de solicitudes y la documentación de apoyo**

1 de marzo de 2013

El Banco Mundial (Banco)¹ suministrará credenciales de identificación seguras (denominadas SIDC) al Prestatario² para que este pueda enviar al Banco las solicitudes de retiro de fondos y solicitudes de compromisos especiales en virtud del Convenio o los Convenios, así como la documentación de apoyo (en las presentes Condiciones de uso, las solicitudes y la documentación de apoyo se denominan, en conjunto, Solicituds), por medios electrónicos de acuerdo con las condiciones de uso que se especifican en el presente documento.

Las SIDC pueden ser: a) físicas (Token Físico), o b) virtuales (Token virtual). El Banco se reserva el derecho de determinar qué tipo de SIDC es más adecuado.

A. Identificación de los usuarios.

1. El Prestatario deberá identificar a cada una de las personas que tendrán autorización para presentar Solicituds, mediante una carta de designación de Signatarios Autorizados debidamente enviada al Banco y recibida por este. El Banco suministrará una SIDC a cada persona identificada en dicha carta (Signatario), como se dispone a continuación. El Prestatario también deberá notificar inmediatamente al Banco si un Signatario deja de estar autorizado por el Prestatario para actuar en esa calidad.
2. Antes de recibir su SIDC, cada Signatario debe registrarse como usuario en el sitio web de Client Connection (CC) de Banco (<https://clientconnection.worldbank.org>). Para ello, el Signatario tendrá que crear una contraseña (la Contraseña de CC), que no deberá dar a conocer a nadie, ni guardar o registrar por escrito ni en ninguna otra forma. Una vez realizado el registro como usuario de CC, se asignará al Signatario un nombre de cuenta exclusivo a modo de identificación.

B. Inicialización de las SIDC.

1. Antes de que el Signatario inicialice su SIDC, este deberá declarar que ha leído y comprendido las presentes Condiciones de uso y que ha aceptado regirse por ellas.
2. En los casos en que se deba usar un Token Físico, en cuanto haya recibido su Token Físico, el Signatario accederá a CC utilizando el nombre de su cuenta y la Contraseña de CC. Esto le permitirá registrar su Token Físico y crear un número de identificación personal.

¹ "Banco" incluye el BIRF y la AIF.

² "Prestatario" incluye al prestatario de un préstamo del BIRF o de un crédito de la AIF, y al receptor de una subvención del Servicio de Financiamiento para la Preparación de Proyectos o de una donación.

que deberá utilizar cuando emplee su Token Físico. Una vez realizado este trámite, el Token Físico quedará inicializado para que pueda ser usado por el Signatario exclusivamente para presentar Solicitudes. En los casos en que se deba usar un Token virtual, el Signatario accederá a CC utilizando el nombre de su cuenta y la Contraseña de CC. Esto le permitirá crear un número de identificación personal (PIN) que deberá utilizar cuando emplee su Token virtual. Una vez hecho esto, el Token virtual quedará inicializado para que pueda ser usado por el Signatario exclusivamente para presentar Solicitudes. Una vez inicializada la SIDC, el Signatario se convierte en el “Usuario de la SIDC”. El Banco mantendrá en su base de datos una cuenta de usuario (Cuenta) para cada Usuario de una SIDC a los efectos de administrar la SIDC asignada a cada usuario. Ni el Prestatario ni el Usuario de la SIDC tendrán acceso a dicha Cuenta.

3. Antes de que el Usuario de la SIDC pueda emplear la SIDC por primera vez, el Prestatario se cerciorará de que el usuario haya recibido los materiales de capacitación proporcionados por el Banco sobre el empleo de la SIDC.

C. **Uso de la SIDC.**

1. El uso de la SIDC se limita estrictamente a la presentación de Solicitudes por el Usuario de la SIDC, en la forma establecida por el Banco en el Convenio o los Convenios y en estas Condiciones. Está prohibido usar la SIDC para otros fines.
2. El Banco no asume responsabilidad u obligación alguna por el uso indebido de una SIDC por el usuario autorizado, o los representantes del Prestatario o terceros.
3. El Prestatario se compromete a asegurar al Banco, y le declara y garantiza que cada Usuario de una SIDC comprende estas Condiciones de uso y se ha de regir por ellas (el Banco se fija expresamente de tal declaración y garantía al otorgar la SIDC). Las Condiciones incluyen lo siguiente, sin que la enumeración sea exhaustiva:

4. ***Seguridad***

3.1. El Usuario de la SIDC no revelará su PIN a ninguna persona, ni lo guardará o registrará por escrito ni de ninguna otra forma.

3.2. El Usuario de la SIDC no permitirá que ninguna persona la utilice para presentar una Solicitud al Banco.

3.3. El Usuario de la SIDC siempre se desconectará de CC cuando no utilice el sistema. Si no se desconecta correctamente, se puede crear una entrada desprotegida al sistema.

3.4. Si el Usuario de la SIDC cree que un tercero conoce su PIN, o si ha perdido su Token Físico, debe enviar inmediatamente una notificación a clientconnection@worldbank.org.

3.5. El Prestatario deberá informar sin demora al Banco, por intermedio de clientconnection@worldbar.k.org, acerca de la pérdida o robo de una SIDC, o cualquier incidente con esta, y tomar otras medidas razonables para asegurar que la SIDC sea desactivada inmediatamente.

5. ***Reserva del derecho a desactivar una SIDC***

5.1. El Prestatario se reserva el derecho a revocar la autorización del Usuario de una SIDC para utilizar dicha SIDC, sin dar las razones de su decisión.

5.2. El Banco, a su entera discreción, se reserva el derecho a desactivar temporal o permanentemente una SIDC o a desactivar la Cuenta de un Usuario de una SIDC, o ambas cosas.

6. ***Cuidado de los Tokens Físicos***

6.1. Los Tokens Físicos serán siempre de propiedad del Banco.

6.2. El Banco entregará físicamente un Token Físico a cada Signatario designado para recibir uno, en la forma que determine el Banco y que sea aceptable para este.

6.3. Los Tokens Físicos contienen componentes delicados y sofisticados, por lo que deben manipularse con cuidado y no deben entrar en contacto con líquidos, exponerse a temperaturas extremas, ni aplastarse o doblarse. Además, los Tokens Físicos deben mantenerse a más de cinco (5) centímetros de distancia de otros dispositivos que generen radiación electromagnética (REM), como teléfonos celulares, asistentes personales digitales (PDA) telefónicos, teléfonos inteligentes y otros dispositivos similares. Los Tokens Físicos deben trasportarse y guardarse lejos de cualquier dispositivo que genere REM. Cuando se encuentra a corta distancia (menos de 5 cm), estos dispositivos pueden generar niveles elevados de REM que pueden interferir con el buen funcionamiento de equipos electrónicos, inclusive el Token Físico.

6.4. Sin restar importancia a estas Condiciones de uso, para obtener instrucciones técnicas adicionales sobre el correcto uso y cuidado de los Tokens Físicos los interesados pueden consultar: <http://www.rsa.com>.

7. ***Remplazo***

a. Los Tokens Físicos que se hayan perdido, dañado, visto afectados por algún incidente (según lo expuesto en el párrafo 4.5) o destruido serán reemplazados con cargo al Prestatario.

7.2. El Banco, a su entera discreción, se reserva el derecho a no remplazar un Token Físico si este ha sido utilizado de forma indebida, o a no reactivar la Cuenta del Usuario de una SIDC.

- Columna 14: Indicar la tasa de cambio. Favor tener en cuenta que la tasa de cambio a ser utilizada debe ser la tasa de internalización de los fondos. Es decir que, el proyecto debe utilizar la misma tasa que fue utilizada para transformar los dólares que el Banco emitió al proyecto en moneda local. Ese punto es muy importante, ya el Banco no reconoce diferencias de cambio como gasto elegible de financiamiento.
- Columna 15: Fecha en la cual el proyecto retiró los fondos de la cuenta designada (en dólares) y los envió a la cuenta operativa (en moneda local).
- Columna 16: Resultado del cálculo de la columna 13 x columna 14. Esta columna refleja en monto equivalente en dólares del gasto realizado, que será considerado por el Banco para documentación.

Notes: Figures in black are manual inputs. Figures in blue are formulas.

Disbursement will be calculated twice a year by semester, directly linking the amount of indicators achieved by its unit costs, irrespective of the indicator, its percentage or the semester. For the second semester where the annual goals will be verified, the total amount will deduct the amount already achieved and disbursed for the first semester for an amount NOT to exceed the total amount for that year. Verification of compliance with agreed goals is to be performed by an Independent Verifying Agent (IVA). This IVA will conduct the evaluation concurrently, to be completed one month prior to the months of disbursements (that is, in January and July).
