Description	The proposed investment in Climate Public-Private Partnership Fund (the Fund) involves: (i) equity investment of up to USD1,000,000 in a company to be formed to act as the general partner of the Fund, (ii) a proposed equity investment of up to USD1,000,000 in a company to be formed to act as a special limited partner of the Fund; and (iii) a proposed equity investment as a limited partner in the Fund of up to the balance of USD100,000,000, less the amounts contributed under items (i) and (ii).		
Objectives and Scope			
Linkage to Country/Regional Strategy	The funds and direct investments selected through the fund will have environmental impact and sustainability as key value drivers. As such, they are aligned with ADB's Strategy 2020, which seeks to reduce poverty and improve living conditions and quality of life by scaling up private sector development and supporting environmentally sustainable models through projects that aim to reduce greenhouse gas emissions and address climate change impacts.
