7a. Project Development Objectives/Outcomes
Original/Current Project Development Objectives/Outcomes

The objective of the project is to build an efficient land administration system with the purpose of contributing to the development of efficient real property markets. This will be achieved by addressing aspects of the supporting infrastructure, especially the real property registration system in the municipal courts, the cadastre system that is operated by the State Geodetic Administration (SGA) at the regional and branch office levels and by the Zagreb City Cadastre Office, supported by the academic institutions and the private-sector support professionals.
