Subject: Endorsement for “Sustainable Urban Mobility Program for San José, Costa Rica”

In my capacity as GEF Operational Focal Point for Costa Rica, I confirm that the above project proposal (a) is in accordance with my government's national priorities, including the priorities identified in the National Development Plan, and our commitments to the relevant global environmental conventions; and (b) was discussed with relevant stakeholders, including the global environmental convention focal points.

I am pleased to endorse the preparation of the above project proposal with the support of the GEF Agency IDB listed below. If approved, the proposal will be prepared and implement by Climate Change Direction of Ministry of Environmental and Energy (MINAE) and request the GEF Agency to provide a copy of the project document before it is submitted to the GEF Secretariat for CEO endorsement.

The total financing (from GEFTF, LDCF, SCCF and/or NPIF) being requested for this project is 1,936,179 US\$, inclusive of project preparation grant (PPG), if any, and Agency fees for project cycle management services associated with the total GEF grant. The financing requested for Costa Rica is detailed in the table below.
