Business Opportunities

Consulting Services	Equipment, training, workshops and surveys will be procured or organized by ADB or by the consultants in accordance with ADB's Procurement Policy and Procurement Regulations for ADB Borrowers, 2017.
Procurement	Consultants will be recruited on an intermittent basis (over a period of two years). Expertise will range from financial management, information and communication technology and irrigation infrastructure and management. The Technical Assistance will require services of two international consultants (totaling 9.64 person-months) and 7 national consultants (totaling 101.82 person-months). The proposed works require consultants who have experience in result based financing with a high level of understanding of government planning, budgeting and M&E processes. The consultants will be engaged by ADB in accordance with the Guidelines on the Use of Consultants (2013, as amended from time to time) using the individual consultant selection.
