

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

Level 2 Results Framework Indicators (Outputs and Outcomes)		Targets	Methods/Comments
1	None.		The project contributes directly to Strategy 2020. The strategy identifies inclusive growth as one of the Asian Development Bank's three strategic pillars along with environmental sustainability and regional integration. Strategy 2020 and the project emphasize the need to promote a development strategy which (i) provides greater access to opportunities by expanding human capacities through investments in education, health, and basic social protection; (ii) improves the poor's access to markets and basic productive assets by putting in place sound policies and institutions; and (iii) strengthens social safety nets.
