Report on the Audit of the Project Financial Statements

Opinion

We have audited the accompanying special purpose financial statements of the Vishnugad Pipalkoti Hydro Electric Project (VPHEP) of THDC financed by the International Bank for Reconstruction and Development (IBRD) under Credit/Loan 8078-IN and implemented by *THDC India Limited*. These financial statements comprise of the Balance Sheet, Profit & Loss Account, Statement of Sources and Application of Funds and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "Project Financial Statements").

In our opinion, the aforesaid special purpose Project Financial Statements gives a true and fair view of the financial position of the project as at March 31, 2021, receipts and disbursements of the Project for the Project for the year ended on March 31, 2021 and the expenditure of the project for the year ended on March 31, 2021, in accordance with the financial reporting provisions of Section 5.09 of the General Conditions of the World Bank read with the Loan Agreement no. 8078-IN dated 10th August 2011 and as described in other explanatory note no. 42 as referred in financial statement.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial Statements section of our report. We are independent of the implementing agency in accordance with the ICAI's Code of Ethics for undertaking this assignment, and we have fulfilled our ethical responsibilities in accordance with ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matters in the Notes to the Standalone Financial Statements:

- a) The PFS is prepared to assist THDC India Limited to meet the financial reporting requirements of the Project's Loan agreement for Investment Project Financial Loan Agreement no. 8078-IN dated 10th August 2011 in respect of preparation of the project Financial Statements in a manner to reflect the operations, resources and expenditures related to the Project. As a result, these special purpose financial statements may not be suitable for another purpose.
- b) Para 6 of Note No. 42 of the Standalone Financial Statements regarding delay in completion of VPHIP project owing to factors beyond control of company. Further, considering the acute financial crisis of M's HCC. Board of Directors of the Company have approved arrangement of gap funding to contractor for expeditious completion of projects with financial regulation.
 - Our opinion is not modified in respect of above matters.

Responsibilities of Management and those charged with Governance for the Project Financial Statements

The Management of the implementing agency is responsible for the preparation and fair presentation of the Project Financial Statements in accordance with the financial reporting framework described in other explanatory Note no. 42, to these financial statements and for such internal control as management determines is necessary to enable the preparation of Project Financial Statements that are free from material misstatement, whether due to fraud or error.

The management and those charged with governance are responsible for overseeing the implementing agency's financial reporting process.

Auditor's Responsibilities for the Audit of the Project Financial Statements

Our objectives are to obtain reasonable assurance about whether the Project Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As a part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the Project Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the Project's operations and underlying
 transactions and events in a manner that achieves fair presentation in accordance with the financial
 reporting provisions described in other explanatory notes on Accounts to the Project Financial
 Statements.
- communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Further to our opinion on the Project Financial Statements we further report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Project Financial Statements dealt with by this Report are in agreement with the books of account;
- d. The Project funds were utilized for the purposes for which they were provided;
- e. Expenditures, including assets created under the Project, shown in the PFS are eligible for financing under the Project Financing Agreements;
- f. Interim Financial Report (IFR) submitted by the Project management can be relied upon to support applications for withdrawal of the Loan, and adequate supporting documentation has been maintained to support these claims;
- g. Procurement has been carried out in line with the agreed procedures as detailed in the Operations Manual/Procurement Manual/Project Implementation Plan/ Legal Agreements; and
- h. The project has an adequate internal financial control system (including IT controls) and such controls were operating effectively as at March 31,2021 and the Project complies with the provisions on financial management contained in the Operations Manual/ Project Implementation Plan/ Financial Management Manual, in all material aspects.

Management Letter for the Financial Year 2020-21

To,
THDC India Limited,
Corporate Office,
Ganga Bhawan, Bye Pass Road
Rishikesh-249201

- 1. Observations on deficiencies/weaknesses on the accounting records, systems, and controls that were examined during the audit and management's response to these together with specific recommendations -no such deficiencies or weakness found.
- 2. Any identified internal control weaknesses related to the procurement process such as, over the bidding, evaluation and contract management domains -no such weakness found.
- 3. Specific deficiencies and areas of weakness in systems and controls identified during the audit and recommendation for their improvement -no such areas of weakness.
- 4. Elaboration of the audit qualification, if any. made in the audit report -no such qualification
- 5. Degree of compliance of the financial covenants in the financing agreements -THDCIL has complied with the finance covenants in the financing agreements.
- 6. Communicate matters that have come to attention during the audit which might have a significant impact on the implementation of the project -no such matters found.
- 7. Report of the status of the corporate governance and financial accountability action plan agreed with THDC.
- 8. Adequacy of compliance with previous audit findings/recommendations in the Audit Report/Management Letter and status of any issues which remain to be addressed and any issues which recurred -no such observations.
- 9. Bring to the Management's attention any matter(s) that might have a significant impact on the implementation of the project or that the auditor considers necessary and pertinent -no such observations.

10. Describe the sampling methodology followed in audit -Test Cheek basis.
