

The city of the entrepreneur

Adrian Magendzo January, 2016

What do Entrepreneurs say?

- Universitarios, Ideas interesantes poco/mal elaboradas. Son despiertos y cultos
- Problemas: Falta de conocimientos, contactos y financiamiento.
- Discriminación, burocracia y freno por parte incubentes

→ Strengthen/Create Intermediate Institutions, Training and empowerment.

What do Incumbent companies say?

- FORUM: Formar "club" de empresas grandes/medianas para apoyar la iniciativa.
- 280 Empresas pagan 88% de los Impuestos!!
- Lloran la perdida de las industrias manufactureras.
- Gran desconfianza del gobierno .

→ Crucial to form new formal entrepreneurs. Involvement of incumbents is Key.

And the government?

- Muy preocupados de mejorar el clima de negocios. Plazos para constituir una empresa (6 a 1 mes).
- ANDE (Agence nationale de Développement de l'entreprenariat). Necesitan que los ayudemos.
- Start-Ups v/s Pymes. Necesitan mucho apoyo para el diseño de política e instrumentos de apoyo en cada caso.

→ Right timing to support government institutions with policy design and implementation. Concrete: Support ANDE.

In the park?

- SONAPI muy importante para contactar , persuadir e involucrar a actores relevantes (Litz Kitel).
- S&H Global: "We don't take into account any proposals made by employees"
- S&H Global: "We bring everything we need for our manufacturing plants from abroad. Some from DR".

→ Opportunity for a cluster of suppliers of services and products for the garment industry.

→ Use the parks infrastructure: Water, Electricity, Internet, etc. also for new Start-Up companies.

What do we have?

USA 2Hrs. (Diaspora)

DR 2-3 Hrs.

Panama 2.5Hrs.

Port. Price 25 Min.

Calidad de Vida

Labadie

Cap-Haitien

International airport

1 h 19 min
54.7 km

What?

Micro-Interventions “Hands-On” in the ground with the goal to establish a *“Entrepreneurship and Innovation Hub”* in the North of Haiti.

“THE CITY OF THE ENTREPRENEUR”

How?

Create a space where Entrepreneurs can

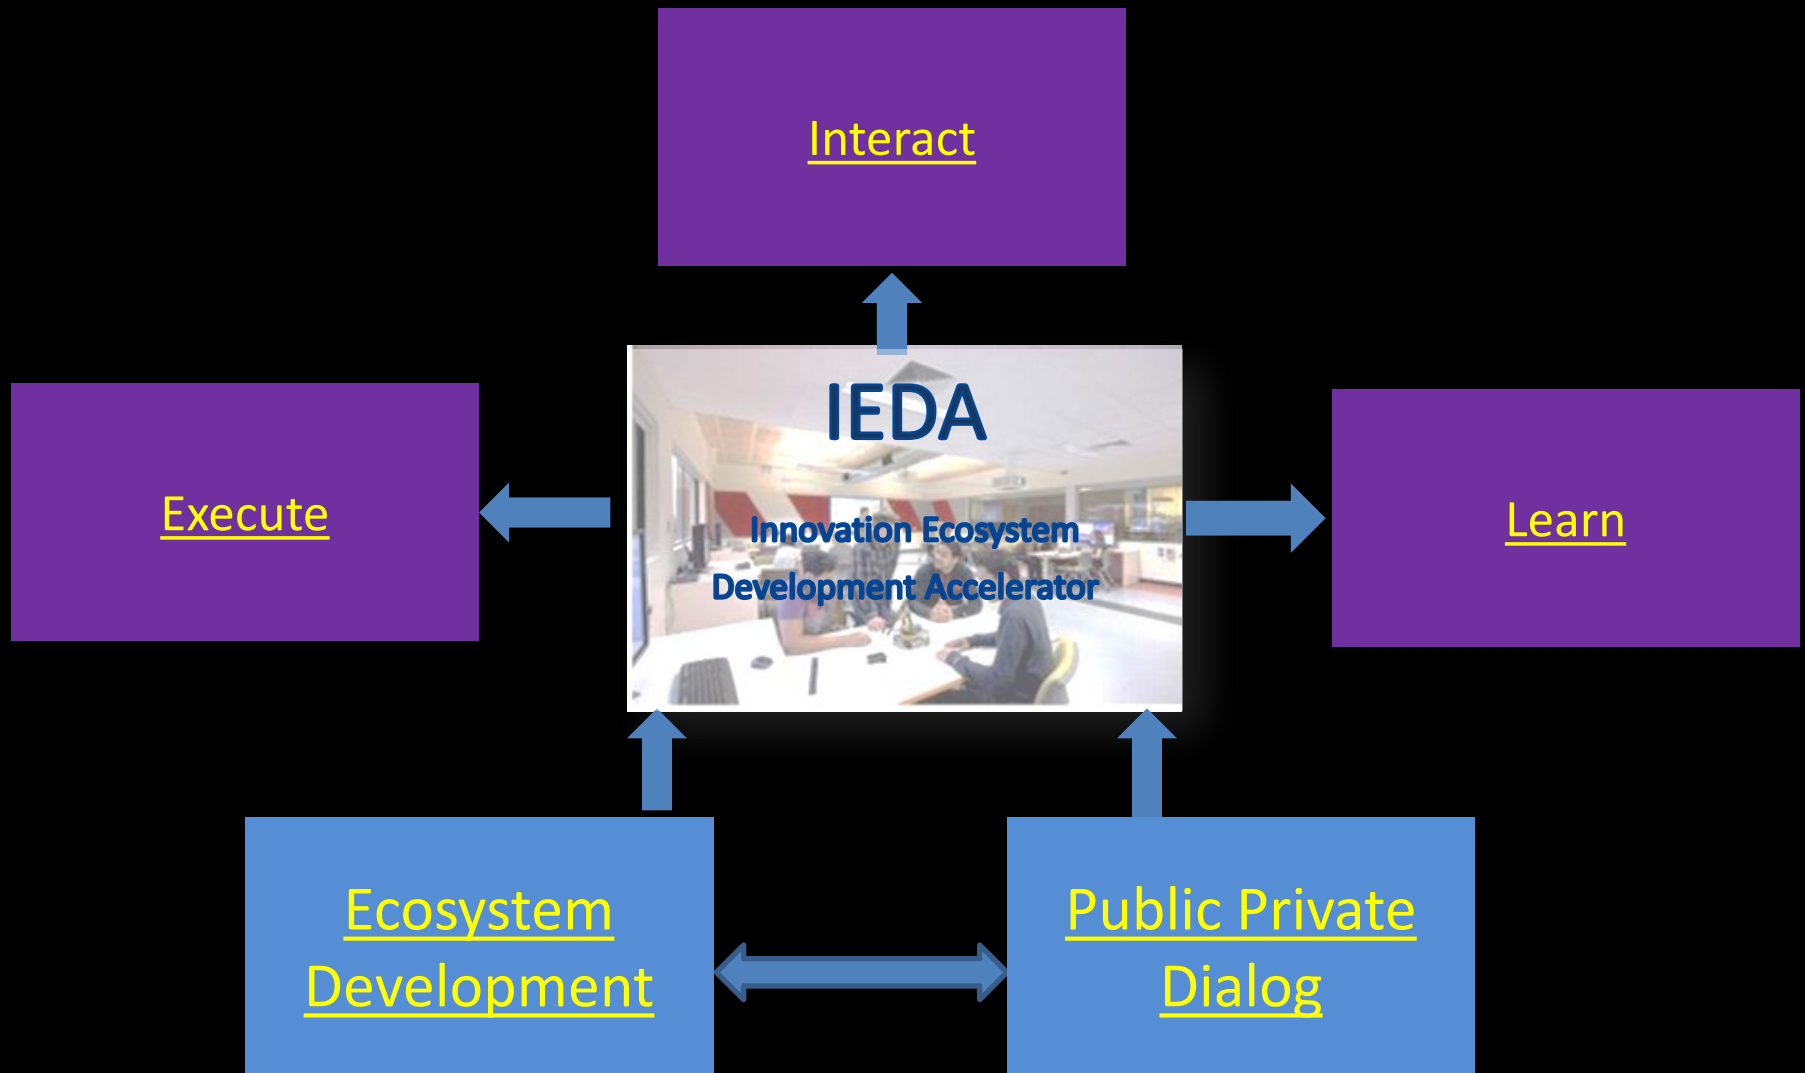

Learn – Interact - Execute

Incorporating the Public Sector in the Process

With the Goal of

Create a Innovation and Entrepreneurship Hub that supports the formation of new **Formal** Entrepreneurs.

What we do?

KEY #1

Training- Interacting and Business Discovery Unit
Limonade University

Business
Development Center

L'Université Chrétienne
du Nord d'Haïti

Universite Du Nord Cap-haitien

Entrepreneurship Center
