REPORT OF THE AUDITOR GENERAL ON THE
THE STATEMENT OF CUMULATIVE INVESTMENTS AND
STATEMENT OF CASH RECEIVED AND DISBURSEMENTS
FOR THE ROAD NETWORK UPGRADE AND EXPANSION
PROGRAM LOAN AGREEMENT № 2741/BL-GY-3
FOR THE YEAR ENDED 31 DECEMBER 2019

Audit Opinion

I have audited the Financial Statements of the Road Network Upgrade and Expension Program carried out by the Ministry of Public Infrastructure and financed with resources of the Loan Agreement № 2741/BL-GY-3 of the Inter-American Development Bank (IDB) and with contributions of the Government of Guyana, which include the Statement of Cumulative Investments as of 31 December 2019, the Statement of Cash Received and Disbursements, and the notes to the Financial Statements, prepared for the year ended 31 December 2019, which include a summary of relevant accounting policies.

In my opinion, the accompanying Financial Statements of the Road Network Upgrade and Expansion Program for the year ended 31 December 2019 have been prepared in all material respects, in accordance with the financial reporting requirements of Section 5.03 of the Loan Agreement № 2741/BL-GY-3 and the Audited Financial Reports and External Audit Management Handbook for projects financed by the IDB.

Basis for Audit Opinion

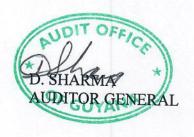

I conducted my audit in accordance with International Standards on Auditing (ISAs) issued by the International Federation of Accountants (IFAC), the International Standards of Supreme Audit Institutions (ISSAIs) and the Audit Act 2004. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Road Network Upgrade and Expansion Program in accordance with the ethical requirements that are relevant to my audit of the Financial Statements in Guyana and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Management's Responsibility

Management is responsible for the preparation of these Financial Statements in accordance with the requirements established in Section 5.03 of the Loan Agreement № 2741/BL-GY-3 and the Audited Financial Reports and External Audit Management Handbook for projects financed by the IDB. In addition, management is responsible for establishing internal control as they determine necessary to enable the preparation of statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance that the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes my opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs and ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
